TOP CLIFFE.

Dear Mr. Editor, as there has never
been any correspondent in our vicinity
I thought that if you could find space in
your pleasant newspaper for a budget I
would become one of your staff also.

Top Cliff is situated in the immediate
vicinity of the far famed Haunted School
and is one of the most picturesque
places imaginable.

There seems to be no scarcity of feed
around here this winter as there were
10 loads of hay and straw seen passing
through here one day last week en route
for Durham.

Mr. Henry Eckhart had a bee draw-
ing wood to Durham on Wednesday.
There were twenty teams on the drive
well laden with cord wood. He is a
hustler.

A number of the boys of this neigh-
borhood accompanied by a few of the
beauties, for which our line is noted,
took a drive up to Mr. C. Watson's,
where they had music, dancing and
various other games. Conspicuous
among the merry makers were N. and
D.

La grippe seems to be one of the busi-
est agents in this part of the country
as there are very few of us who have
not had some dealings with him lately.

Mr. and Mrs. McKeechie, of Burgoyne
are the guests of Mr. and Mrs. McCan-
nel as are also Mr. Martin McCan-
nel and his two sisters, who hail from the
same place and who are enjoying them-
selves immensely among their numerous
friends and acquaintances around here.

The sound of a bell was heard last
Sunday for the first time in the history
of Top Cliff School thanks to our genial
teacher, Miss Maggie McCannel, who is
sure to put the right thing in the right
place.

Mr. Abe Hooper intends raising a
large frame barn next summer and Mr.
G. Moore has, we understand, secured
the contract of building it. Mr. Henry
Hooper is also making great prepara-
tions for erecting a large brick residence
during the next summer.

Our singing class is coming along fine-
ly under the leadership of Professor Mc-
Donald who is a willing and capable
teacher.

Mr. Alexander McEachern has pur-
chased a new cutter and can stay with
the most of them now.

LUCKY JIM.

SOUTH EGREMONT

A sleigh load of McCannels and Mc-
Keechies, some from Arran Township,
Bruce Co., and some from near Price-
ville with Mr. Neil McCannel of the
latter place as guide called on several
friends the South and in Mt. Forest this
week.

Last Friday Wm. Ramsbottom a
farmer near Cedarville while getting his
tears shod in Mt. Forest was so badly
kicked in the face that the Dr. found it
necessary to stitch the wound before he
could proceed home.

The Presbyterians of Cedarville have
advertised a tea meeting for March 2nd
a number of Mt. Forest gentlemen are

on the programme.

The Woodland Y. P. S. C. E. have an-
nounced a collection next Wednesday
evening for the India famine fund, the
Fairbairn Y. P. S. C. E. took up a col-
lection last Tuesday evening for the
India famine fund, \$8.

We notice that the Yeovil correspond-
ance to the Mt. Forest Representative
referred to one of their young men hav-
ing treated himself to a brand new cut-
er, we also have it from good authority
that the same young man takes a drive
South about twice a week whether he
is seeking a warmer climate or seeking
some one to keep the house warm where
he is we have not heard.

Several friends and acquaintances at-
tended the funeral of Alex. McPherson
jr. son of A. McPherson near Cedarville
last Friday the deceased was only 23 yrs
of age, he went to Manitoba a few years
ago where he taught school for some
time, his intention being to study for
ministry. He contracted a heavy cold a
year ago last July which settled on his
lungs and he found it necessary to make
for home where he breathed his last on
Wednesday night. He was a member
of the Cedarville Presbyterian church.
The large number which turned out to
the funeral showed the respect in which
he was held.

ROB ROY.

The entertainment held in the school
last Friday night passed off very well.
The evening was fine but the crowd was
too large for all to get seated. Mr. C.
Firth occupied the chair. We will try
as well as possible to describe the pro-
gramme. The first was a song by the
school. The string band then gave a
piece of music which was very good.

Among the songsters were: Mr. Sam
Orchard, of Murdoch, who sang a song
and was encored. Mr. Orchard's songs
are always appreciated as they are both
comic and humorous. Miss Gertie Ste-
wart, of Durham gave a selection which
took very well. Mr. W. Ramage, Dro-
more's well known singer gave a song
entitled the Thistle, Shamrock, and
Rose. Mr. Sandy Bell, of the Corners,
gave several good songs during the
evening. Mr. John Gray of Bunessan
also entertained the crowd for a short
time by singing, and was encored by
cheers from the crowd. The school
sang several songs during the evening.

A couple of good dialogues were given,
the first, "We'll Never Mortgage the
Farm" an excellent one was given by
Misses A. and E. Sitts, Miss Sharp, and
Messrs S. T. Orchard J. Mack and J.
Sharpe, all of Murdoch. The other was
acted by Messrs T. Nichol, A. Bell and
Misses Maggie Ryan and Susie Kenedy.

Among the Speakers were Mr. Chas.
Ramage Editor of the Review, Rev.
Mr. Humphrey of Priceville, Mr. Irwin
the Chronicle Editor, Mr. Wm. Allan of
Murdoch, Inspector Campbell of Dur-
ham, and lastly Mr. John Graham of
Edge Hill. Mr. Graham gave one of
the leading addresses of the evening,
and if he keeps on at the rate he has
been going he will yet be one of Can-
ada's greatest orators. Step up John.

Miss McCannel, of McCraig's school
kept time with the music, swinging
clubs, her performance was much ad-
mired. The entertainment was closed
by God Save the Queen, and all return-
ed home well pleased with the evening
spent in Bunessan School. The pro-
ceeds amounted to \$13.00.

HOPEVILLE.

That Quilt, Mr. McLeash before he
left here, had a Ladies' Aid Society or-
ganized, we understand to assist in
building a new church in our village
and one of the plans, was, that each
Lady was to make a block for a new
quilt and they were to collect from all
the men they could tent cents each, and
each man that contributed as such was
to have his name worked on the quilt.

We believe there is quite a sum raised
now, the quilt is to be fixed up and
quilted soon, then sold to the highest
bidder, and a social party held at the
same time.

Quite a few of our people driving a-
round now, and others calling at our
village, Mr. J. Firth jr. of Glenelg called
here in passing through to Grand River,
Mr. J. Tanner and Mr. Chas. Stevenson,
of Mt. Forest, out canvassing for the
Mt. Forest Woollen Mill business and
have succeeded very well here, Mr. Mc-
Intyre, Timberman, of Durham, was
here on business, Eld Gregory of Latter
day Saints, is here too straitening up
church matters.

Mr. N. McAully has his mother, from
Melancthon, visiting him.

Mr. Max James has returned from 3
weeks visit in Toronto and we hear he
has taken to himself a wife.

Some of our people went to Artemesia
on Friday the 10th to attend the fune-
ral of Mrs. Joseph Maxwell to Swinton
Park. I expect your correspondents
from there will give particulars of death
and funeral.

Quite a number of our people are
anxious to know who will have the new
Mail Contract between here and Dun-
dalk.
