### HOLSTEIN.

Intended for last week.

Guess we are going to have spring. The robins and blackbirds have returned after spending the winter months in a warmer climate.

Mrs. J. Moyer, of Letter Breen, and Mrs. Moatz, of Drew, visited at the residence of Mr. John G. Smith on Thursday last.

John A. Main has been engaged with George Peters for the summer months. Alex. McEwen has rented the Traynor farm near Dodd's Mills for a number of years.

Miss Maggie Ferguson, of Proton, is visiting at her uncle's N. D. McKenzie.

On Friday evening about 40 of the friends and neighbors met at the residence of Mr. Adam Traynor, Esq., to say good bye to Mr. T. and family, who were taken by surprise, but when they found that everything was of a social nature they threw open their house to all that they might enjoy themselves. After chatting a while the refreshments were served by the ladies, who always come prepared for such occasions. All enjoyed themselves, but feeling sorry that it was altogether likely that it was the last time they would all be supping together in Mr. and Mrs. Traynor's in their Ontario home as Mr. T. who has been in the N. W. T. for the past few years and has finally decided to make his home there in future. All are sorry to lose Mr. and Mrs. T. and family from our midst, but our loss will be another's gain. Mr. T. left on Tuesday for Regina with 2 car loads of stock and household effects. We all join in wishing Mr. T. and family success in their new home.

John McKenzie, teacher, of Grand Valley, came home to see his father, N. D. McKenzie, who has been very ill for some time. He returned on Monday.

Miss Able Cameron, who has been in Toronto for the past three months returned Monday.

Miss Jenny Doupe is at present visiting the Laughton family near Dromore.

Mrs. Henry Adams was in Mt. Forest lately visiting her daughter, Mrs. Urquhart.

James and Oliver Brown left on Thursday for Brandon, Manitoba.

Samuel and Miss Mattie Tribe left on Monday for Egersvill, N. D., also David Hoshburgh for Joliette, N. D.

Mr. and Mrs. Isaac Traynor, of Dundalk, have been spending a few days with Mr. T's brother, Adam Traynor, who left on Tuesday for the West. Gilbert McEwen also accompanied him, helping him to take care of the stock on the way.

### MURDOCH.

Intended for last week.

Mr. and Mrs. George Sharp and Miss Rena of Dundalk, spent two or three days of last week visiting Holstein and Murdoch friends.

Mr. and Mrs. Robert White, of Artemesia, came down to spend a few days with the parents of the latter. Mr. White returned home but Mrs. White remained on account of the illness of her father.

Mr. Lunny has moved his family from Bontineck and has now taken possession of Mr. Chas. McKinnon's farm.

Mr. Thos. Pollock has rented Mrs. Geo. Pollock's farm for a term of years.

Mr. and Mrs. Hugh McCall and Mr. Adam Flood, of Peel, attended the funeral of Mr. McCall's mother, on Saturday at Priceville, and on returning home spent a few days visiting Murdoch friends.

Mr. John Chapman came down from Markdale to attend the funeral of his father.

Mr. David Gordon has engaged with Mr. Wm. Pinder, of Orchardville, for the spring and summer months.

Mr. John Allan intends to spend the spring and summer months down country.

Mr. Wm. Chapman's (N. S.) sale, which took place a couple of weeks ago, was well attended and bidding was brisk under the hammer of Mr. S. T. Orchard. S. T. is as well up to the business as if he was an old hand at it.

A sleigh load of young people spent a very enjoyable evening at the home of Mr. Sam Ritchie one evening last week.

A sleigh load of young people drove out to Mr. Wm. Chapman's (N. S.) a week ago Saturday evening and spent a very pleasant evening. Mr. Chapman and family moved to Mt. Forest the following week to take up their residence there. They will be greatly missed especially in the Sabbath School where they have each taken a very active part.

Mr. Chapman as Superintendent and Bible Class teacher and Mrs. Chapman as a teacher. Miss Maud will also be missed by her school mates. The best wishes of their many Murdoch friends go with them.

The 22nd of June has been selected as the day on which the great celebration of the Queen's diamond Jubilee will be held. Some ten millions of people are expected to be in London on that day and the Queen with great consideration has directed that the procession go through some of the poorer streets to give residents a chance to make something by renting windows, etc. All Canadians can't go but it is most fitting that her Premier should be there, and it is with some indignation that we learn the Conservative party are planning to hinder this unless at the price of some surrender on the Tariff Bill and the Franchise Act. We hope this is not true. If it is, apply closure, Mr. Laurier, apply closure.

Mamie Hunter and Grand, made a pleasing musical variety as they sang with tinkling cymbals and excellent time the overthrow of Pharaoh and his host.

Miss B. McKenzie with her old fashioned nutch made a delicious get up of the sweet old patriotic lady Barba a Frischie. But while she waved the stars and stripes during her piece flouted the Union Jack as the goddess sent her to her seat.

Miss Aggie McRae made one of the best hits of the evening as "Josiah Alton's Wife." She advised taking a husband on a "tower." He would come back a more pleasant, more settled, more downer man, and the house roared.

We sent in our news a couple of weeks ago with a young man, but as he had a load of hay and the day was both windy and stormy and the B. V. news was kind of light we have come to the conclusion it got blown into the Saugeen river. [Never saw it. Ed.]

Mr. A. Murchison was visiting friends here some time ago.

Messrs Norman McDougall and Dave McIntyre are home after spending the winter months in Waterloo. They both look as if German fare agreed with them but some come with the complaint that Dave came home alone. Have patience friends, he intends to go back before long.

HOLLAND TOWNSHIP, Lewis Eyde farm 100 acres in good German settlement - will sell or exchange. A good place.

THE ROMBOUGH PROPERTY, Durham.
