DURHAM TO CELEBRATE JUBILEE DAY.

A LOYAL DAY IN HONOR OF OUR QUEEN. A DAY FOR THE YOUNG, A DAY FOR THE OLD, A DAY FOR ALL.

Since our last issue active steps have been taken to bring about a celebration on the 22nd of June worthy of the town and district we live in, and an appropriate testimony of its inhabitants to the many virtues we acknowledge in our Gracious Queen, to the blessings we enjoy as members of the empire of which she is the honored head, and to our sense of the progress and importance of our own land since the far gone day of June 20, 1837.

While this should be peculiarly a children's day, it lends itself happily to the mixture of young and old on an occasion without a peer in the history of civilized peoples, therefore we hope that on Tuesday week an assembly will take place in our town which will have no parallel in the history of the "oldest inhabitant" while it will make for the young a memory which will stimulate their patriotism and increase their devotion towards the mighty empire of which we form a part.

Let the old flag be in abundant evidence. Let country and town vie with each other in making a brilliant display, and let no unkindly or indifferent word mar the harmony of an occasion which will never occur again, in all human probability, in the lifetime of the youngest child.

Our other holidays are always with us, they will come again in due course. This will never come again to us. Over 800 millions of people in some way or another are celebrating the day. They are not worshipping the Queen, they are not servilely flattery, but underlying all the fervid enthusiasm of the time is a deep sense of the blessings of stable government which is forcibly impressed upon us by the long, long reign.

The Farmers' Institute moved last January in this matter, and as their summer meeting came off only on 1st June some delay has occurred. They found it difficult to be the organizing body, but granted \$25 to any committee that would take it up. A committee has been formed, with the Mayor chairman, consisting of prominent business men and others, who have secured substantial additions to the subscription sheet, and their efforts to get up a suitable demonstration will be successful we are sure.

Steps are being taken to secure a large and representative procession comprising of the Military, the Fraternal Societies, the Fire Brigade, School children, citizens and other corporate bodies. The band will enliven the day. A grand meet will take place at the Drill Shed at 12.30 p. m. and a procession with British or Canadian flags only, and Maple boughs displayed will march to the Agricultural grounds where a programme of sports is arranged with liberal prizes.

At 4 p. m. it is the intention to have the whole company gather in front of an improvised platform and listen to a few brief patriotic speeches and songs, including of course the now 60 year old refrain of "God save the Queen."

The band will play, the Fire Company will exhibit and give a horse race, races for young and old will be run for prizes, there is no money making in view, and therefore we trust that this unique holiday will be thoroughly enjoyed by the loyal citizens of S. Grey in Durham.

It is desirable and will be highly appropriate that townspeople endeavor to have the town look as gay as possible with bunting and greens.

"No Gate charges. All are invited. Everybody Welcome" is what the large posters say. See small bills for details.

WANTED.—Intelligent men with good education to whom \$800 and expenses for the first year would be an inducement. Write with full particulars. THE MANAGER, 49 Richmond St. West, Toronto, Ont.

SHOWING SPEED.—We notice in last week's *Grey Review* that "Chicago Belle" formerly owned and trained by Mr. Robt. Scott, of this town, took 5th place among 10 starters, the winner doing the mile in 2.26. At Hamburg last Saturday she took 4th place with 9 starters, the winner doing it in 2.22. "Bob" has yet another little horse which could beat the "Belle," and the future may see it work under the 2.20 mark yet.

TIERD, NERVOUS, SLEEPLESS—Men and women—how gratefully they write about Hood's Sarsaparilla. Once helpless and discouraged, having lost all faith in medicines, now in good health and "able to do my own work," because Hood's Sarsaparilla has power to enrich and purify the blood, and make the weak strong—this is experience of a host of people.

Hood's Pills are the best family cathartic and liver medicine. Gentle, reliable, sure.

CHRISTIAN ENDEAVOR.—The Annual Convention of this body will be held in Amos Church, Dromore, on Friday, July 2nd. Messrs. Little, Dornoch; Craigie, Hanover; Hunter, Markdale; Humphrey, Priceville; Mr. Blakeston, Priceville, is also down to lead in an "Open Parliament. What is your Society doing?" and from the well known ability of the Priceville principal much life will be thrown into the discussion. Mr. John Cooper, Hampden, is President, and has been a most successful one since the formation of the Society. Dromore people are preparing to give them a royal welcome. Stabling and hay for teams are free a nominal charge of 15 cents and 10 cents for dinner and tea respectively being made. Remember the date July 2nd. Should the day prove fine an immense crowd may be looked for.
