A fine budget from Hopeville unavoidably left over.

Mr. Castell is visiting his friends in Harriston this Dominion Day.

FOUND.—A pocket oil can, owner can have it by paying 10 cts for this notice.

Mr. R. Watson, Sr., Normanby visited his grandson, Mr. R. Gray, Hamilton, Jubilee Day.

Misses Kate and Belle Cameron have gone to Macknow to visit their aunt, Mrs. Hornell.

Mr. Robt. Cochran visited Owen Sound and Chatsworth friends last Friday and Saturday.

Mr. and Mrs. Morlock spent Jubilee Day in Hamilton visiting Mrs. Morlock's sister, Mrs. Gray.

Mrs. Marshall and children and her sister Miss Robertson visited Mrs. Gregory, Mt. Forest this week.

Mrs. Johnson, of Stratford, is at present visiting at Mr. John D. Clark's and other friends around Aberdeen.

Miss Jessie Beaton attended the marriage of her cousin M. K. Beaton to Miss Wilson, of near Markdale, on Tuesday.

We are sorry to learn of the severe illness of Mrs. Dan McKelvie Egremont and hope to hear of her recovery soon.

Mr. and Mrs. Grierson (nee Miss Parka) left Tuesday morning for far Dakota. We wish them much prosperity in their new life.

Mr. A. Galbraith left Monday morning to spend a 5 weeks' term in the military school.

Mr. Sharpe, of Holstein, and Mr. Rowe of Markdale, will preside at the P. I. and Commercial Exams here on Friday and Saturday.

Mr. R. Watt, Dornoch, received flattering mention in the O. Sound Advertiser as having shown some good foot ball work in Chatsworth on Jubilee Day.

FEEDING THE POOR.—Our good Princess of Wales celebrated the Jubilee in this kind way, see page 3 of this issue for an account of it, and other Jubilee events.

Rev. Chas. and Mrs. Cameron left Tuesday morning for a few months' sojourn in Toronto and Kingston. Miss Maggie also left to visit friends in and around Kincardine.

Varney Sunday School picnic will be held on Tuesday, July 6th, in Mr. Jno. Aldred's orchard. This annual event is always successful, and this year is to be no exception.

Rev. Mr. Jansen has received a warm and pressing invitation (expenses all paid) to be one of the speakers at the 12th of July Demonstration in Mt. Forest. Durham Lodge and district are going and Mt. Forest will likely decide the honors with Markdale where a great celebration is to be held.

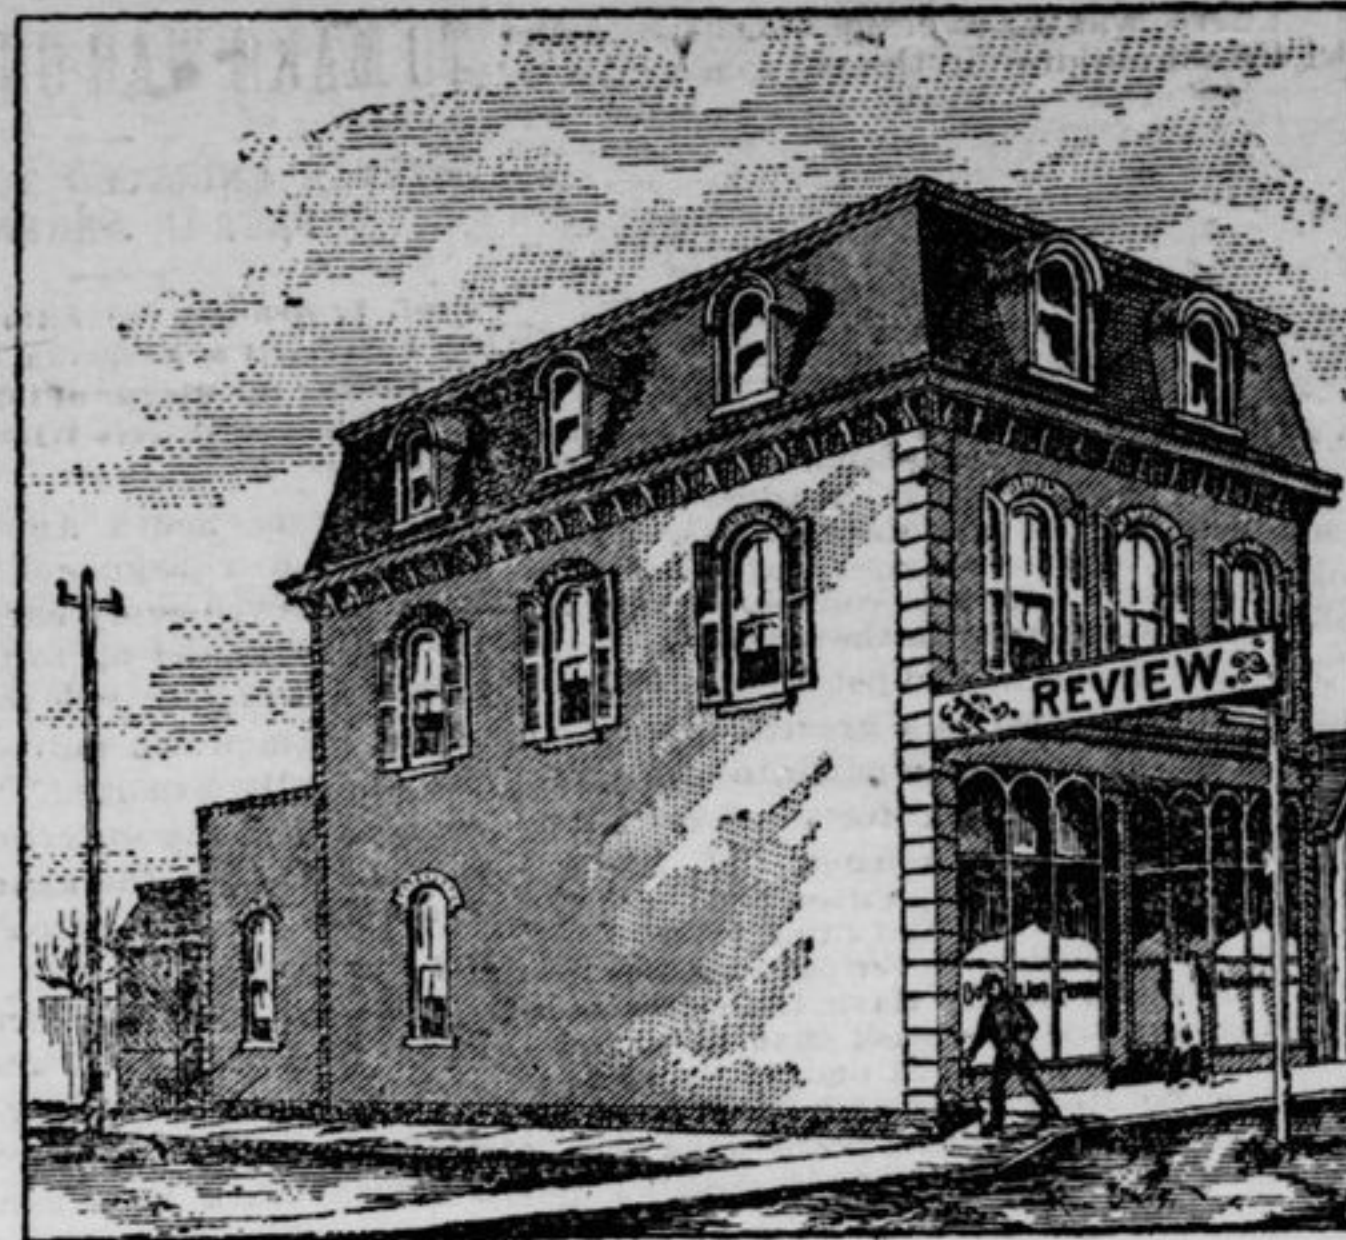

BINDERS.—Kate Cochran begs to inform the Public, she has on exhibition at her warehouse in Durham, one of the celebrated Peter Hamilton light steel Binders with Roller bearings and all the latest improvements. This Binder has a steel deck, runs light, is warranted to give perfect satisfaction in every respect and do first class work. Please call and inspect before being persuaded to buy elsewhere. No trouble to show goods.

POPULAR HOTEL MAN.—"I was troubled with pimples on my face and head which caused me much annoyance. After trying many remedies without benefit I was advised to take Hood's Sarsaparilla. The first bottle helped me and I took four bottles. I am now completely cured." JAMES REILLEY, Proprietor Chapman House, Saratoga, Ont.

Hood's Pills act easily and promptly on the liver and bowels. Cure sick headache.

IN MEMORIAM.—On Saturday last Jas. McFarlane, son of Allan McFarlane of this town passed over to the greater number at the early age of 20 years. For months past an insidious disease had marked him for its prey. He bore up under it with a pertinacity and patience which showed the spirit of the hero within him. He was taken to the ground on Jubilee Day, and was up every day to the day of his death. He was an Odd Fellow, and his funeral on Sunday was under their auspices, over 30 brethren from outside lodges being present. Twenty came from Mt. Forest alone, and Harriston, Hanover, Walkerton and Chesley all sent a few. The services were conducted by Rev. Mr. Jansen, and a very large concourse followed the remains to the New Cemetery. The band, of which he was for some time a member played appropriate music, and under the solemn ritual of the order he was laid to rest. The sympathy of the community goes out to the family thus deprived prematurely of a member who exhibited many excellent qualities of mind and heart.

PROHIBITION CONVENTION.—An important meeting of the Prohibition forces will be held at Toronto in the Horticultural Pavilion, beginning on Tuesday, July 13th, at 9 a. m. to close probably about noon of the following day. The three important approaching events demanding immediate attention are—1. The Dominion Plebiscite on Prohibition. 2. The final session of the present Ontario Legislature. 3. The approaching election of a new Legislative Assembly for the Province. The approaching Convention will be the seventeenth annual meeting of the Ontario Branch of the Dominion Alliance. It will be comprehensive in its character and more fruitful in practical results than is expected than any prohibition gathering that has preceded it. The plan of representation is as follows: Every church and society is entitled to two representatives, and each church and society having more than fifty members is entitled to an additional delegate for each additional fifty. Reduced rates will be given on all railways by securing the usual certificate before starting. Names and addresses of delegates should be sent as soon as appointed, to F. S. Spence, Secy. of the Dominion Alliance, Toronto.

The Durham Review

With this number, we enter into our fourth year as proprietor of the Review. We, in common with this whole district, town and country have felt the stringency arising from crop failures and low prices, and now, we believe, with a better day dawning, we have to thank subscribers and advertisers for the support they have given our venture.

The experience we have gained we intend to utilize in the interest of our patrons and the Durham Review will in the future be a better exponent of the life of this town and district than ever before. Our friends can assist us in this by keeping short accounts and saying a good word or doing a kind deed for us whenever they can.

We have adopted the name "Durham Review" in justice to the town from which our chief support is derived. There is a certain amount of advertising in the name of the paper, and we have frequently seen quotations from the "Grey Review" in our exchanges, which, to a stranger gave no idea of the precise locality of this big county from which they emanated.

Durham and District is our chief field, and we intend to assist every movement, every cause which is calculated to foster and improve its material interests. While doing this it will be our aim to make our pages reflect the best intellectual and moral effort of the community, and hope we shall succeed in making more popular than ever the columns of THE DURHAM REVIEW.

DEATH ON THE RAIL.

The town was startled to learn on the arrival of the train last Thursday that a young life had been crushed out by the train about 1 1/2 miles below Holstein. A special had backed in to Holstein for cattle and on returning, right side front of course, the driver saw the mangled remains which had lain there since they came up some hours before. Part of the head was on one side of the track and the body on the other, with both rails between. Smith was the young lad's name, he is 15 years of age, and never knew the love of father and mother in a home. The Sharps, with whom he has been for some years, were at once notified, as was Coroner Jones, and as no inquest was considered necessary an undertaker coffined the remains and they were buried that day. The lad often boasted how near he could go to passing trains, and it is thought he has tried this once too often. No blame can attach to the authorities, as their track is forbidden at all times to travellers.

"Only nervous" is a sure indication that the blood is not pure. Hood's Sarsaparilla purifies the blood and cures nervousness.

CARD OF THANKS.

The committee appointed, at the meeting called by the Mayor, to carry out a fitting celebration of her Majesty's Diamond Jubilee would, before disbanding, return thanks for the loyal support they received. They beg to recognize the efforts of the citizens in decorating; the various societies for their turn out in the procession; the Band, the bicycle men and the fire brigade for their fine turnout; the staff and rank and file of the Boys' Brigade, and last but not least the grand array of children which graced the patriotic march. To those who helped financially special thanks are due, particularly the Farmers' Institute. The generous notices of the local papers were also appreciated by the Committee. Signed on behalf of the Committee, WM. CALDER, Chairman.

CARD OF THANKS.

To the Officers and Members of the Canadian Order of Foresters, Gentlemen.—Allow me to express my sincere thanks for the prompt payment of \$1000 which you paid me on the death of my son, Edward J. Shewell. I also thank the officers and members of Court Durham, No. 446 for the sympathy and respect shown at the funeral ceremony. Wishing all success and prosperity to your noble order, I remain, Yours sincerely, MRS. HENORA SHEWELL, Durham, June 25th 1897.

DOMINION DAY.

The arrangements are complete for a good day's sport Thursday. A large number of fine horses from a distance have been booked for the Races and a good game of Lacrosse is assured. The bicycle events will also be good.

Tuesday's rain has effectually laid the dust and there is promise as we write of good weather.

The decorations have in most cases been left up, the flags are yet flying. Let us put on a holiday appearance once more and duly celebrate the 30th anniversary of our Dominion.

Long Life to the Dominion.

Mrs. J. S. Willison, of Toronto, is a guest of her sister, Mrs. T. Harris.

Mrs. J. H. Hunter returned home from Toronto last week. She was accompanied by her daughter, Mrs. R. Grant.

WELCOME.—The Garden Party at Mr. R. Parker's spirit by the rain Tuesday last, will be held on Friday evening next as a welcome to the new minister.

Rev. Mr. Pomeroy preached his farewell sermon last Sunday. Rev. Mr. Ferguson, the new Minister will arrive here, to-day, Wednesday.

Rev. Mr. Smith late of Warton, passed through Durham Tuesday en route for Niagara where he is stationed for the ensuing year. Many of Durham and Varney will remember him being a co-minister with Mr. Lake here.

A RUSH OF CANDIDATES.—Some 86 candidates wrote on the Entrance Examination this week, and 6 on the leaving. This is about 30 more than usual, and bespeaks intellectual activity in the Inspectorate. But is the Leaving getting unpopular?

Mr. N. J. McArthur, who, with his wife, was visiting his parents north of town, and attending his brother's wedding, left last week for Boston, where he has secured a high position as Professor of Physical Culture in the State Normal School.

EDGE HILL PICNIC.—This famous Annual Picnic will be held on Friday, July 9th. The committee have got together a host of attractions which will make this year eclipse any previous ones. Popular prices. See bills.

GO TO DROMORE.—The Christian Endeavorers of South Grey are widely planning to attend the Annual Convention on Friday. Don't miss it. The roads are now good, the programme will be excellent, and the experience and flow of soul of these meetings will be profitable.

GOOD BYE.—Owing to the weather a farewell social, instead of the garden party as announced last week, was held in the Methodist church on Tuesday evening. Mr. Laidlaw was in the Chair and among the speakers was Rev. Mr. Glazier, former pastor of the Varney Circuit, whom many were glad to meet. Mr. Pomeroy, Mr. Irwin and others made brief addresses, and a very pleasant evening was spent. Mr. Pomeroy leaves many friends who will remember his three years' pastorate with pleasure.
