DOMINION DAY.

Our 30th National holiday was favoured with ideal weather, the rains of Tuesday had laid all dust and gladdened everyone's heart for the good they were doing. The horsemen were delighted at the splendid track it made and everything was "coteur du rose."

Throughout the Dominion the day was loyally celebrated, though we have our Ireland in parts of Nova Scotia, which we believe refuse to recognize it as a holiday.

In Durham the Turf Club took hold of the occasion and succeeded under somewhat difficult conditions of making a very good day of it.

In the forenoon Markdale and Durham Lacrosse Clubs gave an exhibition of the national game. Some good playing was done on both sides, but our boys were greatly out weighted, and the visitors went home with 3 to 1 in their favor. Hanover team came over in the afternoon, but owing to the full list of horse races the grounds could not be secured for a match.

The horseracing was the great attraction, and some very pretty work was on hand for lovers of the quality of speed in the "noble animal." The trotting events especially were close affairs, and the time in both classes was well up.

Mr. Mills' "Golden Dawn" is the only local animal placed in competition in the trotting events and took second place in 4 heats getting third money only however, an Owen Sound horse taking one first winning, according to racing rules, second place. R. Scott handled the ribbons over the "Dawn."

The most closely contested race was the last heat in the 2.40 trot which was done in 2.42.

The following shows the result; 2.40 trot or pace, 4 entries, settled in 3 heats:

	Heats—	1	2	3
Harry G., Miss M. Reid		2	2	4
Listowell		4	3	2
Harper Grit, Noble Black, Shelburne		1	1	1
Minnie Morgan, J. McDevitt, Dundalk		3	4	0
Jimmie Gray, John Matheson, Chatsworth		3	4	0

3 minute Trot or Pace, 5 entries, settled in 4 heats:

	Heats—	1	2	3	4
Golden Dawn, W. D. Mills Durham		2	2	2	2
Maud M., Herb. Wilkins, Owen Sound		3	4	1	3
Allan Jackson, Thos. Jackson, Walkerton		1	1	x	1
Lady Stanton, John Matheson, Chatsworth		4	3	x	x
Maggie Murphy, E. Murphy, Mt. Forest		5	5	3	4

Open Run, 6 entries, settled in two heats:

	Heats—	1	2
True Banner, J. M. Vroman, Fergus		1	1
Little Nettle, Ed. Wellwood, Dundalk		4	5
Plevnar, Herb. Wilkins, O. Sound		2	3
Jubilee, W. Arnold, Greenock		x	6
Rattler, C. E. Pierce, O. Sound		3	4
Longspin, R. T. Kelly, Kinkora		5	2

In this event, Longspin took 2nd money, Plevnar getting 3rd.

Farmers' Run, 3 entries, settled in 2 heats:

	Heats—	1	2
Dollie, Chas. Gray, Varney		3	3
Flora, Wm. Matheson, Glenelg		2	2
Topsy B., Melintosh, Dornoch		1	1

Topsy is a colt of the Dornoch Belle, which some years ago was a speedy animal and well known on these tracks.

This was the programme carried out and Durham has demonstrated her ability to have two successful days in one summer.

The lower town hotels were busy and seemed to be doing a "roaring" trade.

The bicycle races were well contested and proved interesting events. In the men's race — Collins took first, W. Jones 2nd. While the boy's race brought out two competitors, one from Markdale the other from Chatsworth, the Chatsworth rider, Matheson, came in first.

OUR AGRICULTURAL FAIRS.

The Victoria Jubilee days are now of the past, and the next important events of the year will be the Agricultural Exhibitions of Canada. There are quite a number of these fairs, but none of them is of more importance than the Western Fair at London, commonly spoken of as Canada's Favorite Live Stock Exhibition, a title which is largely the fact, and due to the special interest taken in these departments by the Management, who are anxious to do every thing necessary for the comfort of both the exhibitors and their animals, and have in this way established in the minds of buyers and sellers that the Western Fair is the proper place to do business.

The large and commodious buildings erected last year for the cattle, sheep and swine, and thought too big to fill, was proven to be altogether too small to accommodate the increased entry, therefore the Directors have decided to remove the swine into new quarters erected 150 feet long and 30 feet wide, with provision for the accommodation of the main entrance to the cattle and sheep building, being altered so as to provide a large hall, comfortably seated, to be used as a place of public comfort and meetings of the several associations during the fair, also a room provided with tables for the preparation of themselves and animals, thus preventing the danger arising from the use of those small coal oil stoves, etc., in or near the stock buildings. There is also a storehouse from which will be sold all kinds of animal food at the lowest prices.

By the prize list just received the premiums remain much the same as last year, with the exception of the Hackney Horse Class, adding a class for general purpose teams; and in the poultry a class for half bred fowls, the coming fowl for the farm, and four new varieties of pheasants. We note a new departure in the Dairy Classes by opening one for domestic cookery, etc., and from which good results are anticipated. Many handsome special cash prizes are donated for competition. The special attractions are not yet completed, but the committee's selection in the past are a guarantee to the visitors that a good afternoon and evening entertainment will be provided for each day. The special train service and excursion rates are being arranged from all points. We are requested by Mr. Thos. A. Browne, the Secretary, to say that all applications for prize lists, programmes, and their map of Western Ontario will be appreciated and filled with pleasure. The Fair dates are September 9th to 18th.
