Public Schools in town reopen Sept.
1st Wednesday of next week. The
Model School reopens on Sept. 2nd and
students are requested to be on hand
for the opening day.

Mr. Chas McDougall son of Bentinck
Collector arrived from Manitoulin on
Saturday with 75 head of cattle. 2 car
loads were fat cattle and were sent right
on from Owen Sound, the others were
stockers.

F. W. Hodson, Superintendent of
Farmers' Institutes and Secretary of
the Dominion Cattle, sheep and Swine
Breeders' Associations, will occupy a
tent on Toronto Fair Grounds, just east
of the Cattle Ring from Sept. 1st to 10th.
Visiting farmers, stockmen, etc. are
very cordially invited to call, and con-
fer with Mr. Hodson or with each other.

IN ALGOMA.—A recent number of the
Rat Portage News contains an interest-
ing account of the visit of Hon. John
Dryden to his namesake place where a
Bentinck colony of Turnbills, Smiths,
McDonalds, etc., are enjoying life and
causing out comfortable homes. Dry-
den is now a thriving village where but
a year ago was nature's wilds, and on
the occasion referred to its inhabitants
had thrown dull care away and laid
themselves out for a picnic. Minister
Dryden and others made speeches and a
varied programme of music, recitations,
etc. seems to have been carried out as
if they were in civilized Bentinck still.
Well! Well! After they passed yotes
of thanks in the usual way, the good
people of Dryden had an evening's en-
joyment, till near morning. Guess how?

S. S. PRENTICE.—About two week ago
Trinity Church S. S. held their annual
outing in the grounds of Saugueen, Park
with the usual accessories of swings,
plays, etc. followed by the delightful
part, (to the youngsters) of a well set
out table of good things. Wednesday
last week the Methodist S. S. were
on the ground and unfortunately much
of the day's pleasure was marred by
rain. However the indispensable Parker
and Connor were equal to the occasion
and had provided a tent for shelter,
and the most was made of an untoward
afternoon. The day following the Pres-
byterians were fortunate in splendid
weather, and the woods rang with a
merry glee once more. Mr. Allan, Rev.
Mr. Jansen and Mr. Grant were the
chief workers, the two latter however
drawing the line at tree climbing, Mr.
Allan only being excelled in this line
by such clever, agile fellows as L. Buch-
an, D. Munro, E. McClocklin and others.

MINI CENTRE.—At this point is found
these two popular Durhamsites John L.
and Dr. D. C. McKenzie. We were
much pleased to receive a letter from
the former this week recounting his
good fortune in that land of gold. He
is owner of claim K. 389 referred to in
the clipping below, the Alice A. being
K. 191, just adjoining J. L.'s. He is
proud of his location and thinks it just
as valuable as the Alice A. He holds
his claim at a large figure, and intends
to organize a company to develop it,
unless indeed a gilt edged offer tempts
him to sell before. The published re-
ports from this district are he says not
exaggeration. We heartily congratu-
late our young friend on his brilliant
prospects. Here is the item from the
Toronto World. "The Alice H.—
Work has just been commenced on the
Alice A. a property consisting of loca-
tion K. 389 on Little Turtle River to the
northeast of the Randolph. Though I
did not visit the claim I am told it is
one of the best things yet found, having
a vein 30ft wide which pans gold all the
way across its surface. Development
work is to be rushed."

ALWAYS FELT TIRED.—"I suffered
with severe headache and loss of ap-
petite and I always felt tired. I con-
cluded to try Hood's Sarsaparilla and
after taking one bottle my headache
disappeared. I continued taking it
until now I am never troubled with
headache and my appetite is good"
LAURA GARLAND, 247 Clairmont St. To-
ronto, Ont.

Hood's Pills act easily and promptly
on the liver and bowels. Cure sick head-
ache.

AGENTS.—I am just starting the best
thing for money making you have seen
for many a day. Your name and ad-
dress will bring the gold information.

The new Presbyterian Book of Praise
is for sale at McFarlane's with and with-
out music. Call early.

Social evening in the League next
Monday. Come and be sociable.

FORT FRANCES.—A great celebration
was held here lately in honor of the 3rd
Annual Civic holiday. It was a kind of
fair and sporting day combined, and we
notice among the prize winners in but-
ter the name of Mrs. R. Watson, Mr.
R. Watson got 1st prize for the best
collection of grain, and we notice our
able and versatile friend is chairman of
the Agricultural exhibits committee.
They evidently know a good thing when
they see it up there. Messrs T. and J.
Whitmore, sons of Mr. Jno. Whitmore,
north Egremont also distinguished
themselves and won a silver cup in the
double scull race, coming in first by
half a boat length. Well done Rainy
River farmers. We have gleaned these
items from a copy of the Rat Portage
News left at our office.

WANTED, CANVASSERS.—"Queen Vic-
toria: Her Life and Reign," has captured
the British Empire. Extraordinary
testimonials from the great men; send
for copy free. Marquis of Lorne says,
"The best popular Life of the Queen I
have seen." Her Majesty sends a kind
letter of appreciation. Selling by thou-
sands; gives enthusiastic satisfaction,
Canvassers making \$15 to \$40 weekly.

DURHAM IN THE LEAD.—Messrs Wm.

erson were asked by Hanover Lacrosse
team to go to Tara and play with them
in a match game. They went and they
won, beating Tara 2 to 0. Our boys are
Lacrosseists and are now looking to-
wards Shelburne, the only reputable
club they have not beaten this season.

Miss C. Moody, Lower Town, left for
Colorado yesterday. Miss Ethel accom-
panies her. Mr. Wm. Moody and a sis-
ter are there. While we wish them a
pleasant trip and a happy future, we re-
gret their loss to the town where the
name Moody has long been a well
known name. Musical circles will espe-
cially regret their loss.

day from a summer's outing with friends
in Southampton, Walkerton and other
places.

child, which died last Thursday. It
was interred in the English Church
Cemetery on Saturday.

HYMENEAL.
On Wednesday, 25th inst., at 6 a. m.,
while the sun was breaking through the
clouds and promising a glorious day, a
very quiet and unexpected wedding
took place in Trinity Church. The con-
tracting parties were Mr. C. McArthur
Merchant, Durham, and Miss Maria
Whitmore, Rev. Mr. Connor was the
officiating Clergyman, Rev. Mr. Mc-
Gregor being present. The bride was
led to the altar by her father and was
assisted by her cousin Miss Angeline
Whitmore both being becomingly at-
tired in travelling costume. Mr. Jno.
Graham, Edgehill, was groomsmen.
The ceremony over, the bridal party
drove to the Station, where they were
plentifully besprinkled with matrimo-
nial rice, and as the train rolled out with
the blissful couple, two torpedoes were
exploded, causing quite a sensation.
Mr. McArthur and his lovely bride will
have the best wishes of a very large
circle of friends, and the REVIEW very
heartily wishes them a happy future.

SAUGUEEN PARK.
This attractive spot has been utilized
this year by our Fire Brigade and three
of our Sunday schools for picnic pur-
poses, and we are disposed to sound a
note of praise in honor of the romantic
spot, and make a few suggestions.
The cemetery company we under-
stand have control of the park, and it
must be gratifying to them to find it
being used for its intended purpose.
We think the interest taken in it this
summer should stimulate them to take
to take steps to further enhance its
attractiveness.
Among the improvements necessary
are a walk or even a driveway, round
the outside of the bounds, an even
stretch laid out and made suitable for
races and other sports, the tables al-
ready there extended and covered,
similar protection to booth and cutting
tables, and some simple rustic seats
placed at accessible spots on the river
banks and other places.
This takes time and money. We be-
lieve if a committee of say one or more
could be appointed from the town coun-
cil each church management, the fire
brigade, our Societies, &c. to confer with
the cemetery company at some of its
meetings a plan of improvement might
be decided upon, and means taken to
secure some of the improvements we
have outlined. A spot could be made
that we would be proud of, that would
attract outside picnickers and anyway
we would be doing something that pos-
terity would thank us for, and give our-
selves pleasure meanwhile.
