

Editorial Note and Comment.

The outlook in the East is a dark one. The Sultan shows no sign of evacuating Thessaly, and ominous reports come that as soon as the harvest is fairly stored Armenia will again pass through a season of horrors.

We hear that Mr. Whitney has been secured by our Conservative friends to speak in Durham at an early date. A veteran Liberal from Proton way to whom we repeated this report, sized the situation up by saying, "All right, they'll need him." However Grits and Patrons as well as Tories will be glad to welcome the opposition leader to a Durham stump.

Another session is now a certainty, has never been in doubt the Premier says. The Conservative leaders might have saved a good deal of wind if they had trusted the Liberals a little more. Another session rounds the Parliament out: no more. No fear of an Ontario Government trying for an extra session to stave off the evil day as the Howell-Tupper ministers did. The next session will meet in February and the election will take place in June or July.

The great American nation called the United States owns the Pribiloff Islands. The seals resort there once a year and the G. A. N. wants to own them too. Britain and other nations can hardly agree to look upon a seal in mid Pacific as part of the United States, in fact they don't do it, and we see it gravely stated, (we hope on bad authority) that to convince the nations that she owns the seals, she will take steps to have them all killed next time they come home!

The daily papers for sometime back have been a record of calamities. Bush fires and loss of life and property in Ontario and Manitoba, an accident on the C.P.R., 4 killed and twice as many injured, a strike of immense proportions in progress in Britain, seriously interfering with national naval plans, the town of Windsor, Nova Scotia wiped out by the Fire fiend, at a loss of 300,000 and 4000 people homeless, a Spanish steamer wrecked and 200 drowned, only 2 escaping, are some of the gruesome records of the last week or so.

Mr. Fielding has won an immense success in floating a new loan. On two points. First, this is the first colony that has attempted to borrow at 2 1/2 p. c. and second, a large proportion of the loan has been taken up by Canadian investors. This loan establishes the credit of the Dominion on a basis unequalled on the London market, and one can be excused for hoping that the facility the government finds in borrowing will not lead it to excesses. We have every confidence in their probity. The comments of the British Press on the success of the loan are most gratifying and bound to lead to a wider and more flattering knowledge of things Canadian.

BENTINCK REFORMERS.

The Annual meeting of the Township Reform Association was held last Saturday afternoon in Corinth School house. Pres. Thos. Clark and Secy. H. H. Miller were both present and every one of the 8 wards was represented. It was a pleasant harmonious meeting, conducted in a business-like way and the same good qualities it is which will make Bentinck roll up at the next election as it has done in the past, a good stiff vote for the candidate supporting the liberal and progressive government of Hon. A. S. Hardy. Pres. Clark and Secy. Miller were reappointed and the following are the presidents of the respective wards:

- Ward No. 1—John Dalglis
Ward No. 2—James Hart
Ward No. 3—John Milligan
Ward No. 4—D. Knechtel
Ward No. 5—C. Kuehner
Ward No. 6—Wm. Irvine
Ward No. 7—Sam. Dickson
Ward No. 8—Jas. Tulloch, Sr.

The election of delegates was then proceeded with and the following 34 good men and true will represent the township at the convention in Durham next Thursday.

DORNOCH.

The monthly fair was held here on Monday. There were quite a number of cattle out but very few sold as the farmers are holding them at too high a price, foder being plentiful.

Mrs. Wm. Smith returned home on Monday from waiting on her daughter, Mrs. K. A. Mills, of Valetts, who has been very ill for the last month. We are pleased to hear that she is slowly recovering.

Mrs. H. Hunt is slowly recovering from an attack of inflammation.

Mr. Wm. Young, of Durham, occupied the Presbyterian pulpit here, on Sabbath, in the absence of the pastor.

Miss May Saunders, of Durham, has been visiting friends in these parts for the last two weeks.

Mr. Malcolm Morrison is very ill at present with a severe attack of inflammation. (He has since died.)

The Woman's Foreign Missionary Society of this place held their annual Thankgiving Meeting last week, when Mrs. (Dr.) Somerville and Miss Rogers, of Owen Sound, addressed the ladies of the congregation. The Thank-giving collections amounted to twenty dollars.

What the people would like to know:— Why Tim wears the broad smile? If Bob will go trading horses again? If Jim saw the wild cat yet? Where Billy W. was on Sunday?

(FROM ANOTHER CORRESPONDENT)

A number of our farmers have threshed and report their grain turning out well. Mr. Ryan with his steam-thresher threshed out over 1500 bushels of grain for Messrs. D. and W. Smith lately. He also threshed for Messrs. O'Mara, Skene, L. C. Smith and P. McIntosh. Each of these men pronounce Mr. Ryan a first-class thresher.

Miss Sae McIntosh is at present visiting friends in and around Listowel.

The Trustees of S. S. No. 3, held a meeting on the 15th and re-engaged their popular teacher, Miss B. Skene for 1898.

Mrs. James Watt returned last Sunday after spending two or three weeks with her daughter, Mrs. Mortley, of Holland.

Mr. L. C. Smith is at present plastering a kitchen for Dr.

Our genial merchant, Mr. H. Hunt and his efficient helpers, Messrs. P. Tiffany and D. J. Beagan are busy harvesting his abundant potato crop. He reports them in good condition.

Mrs. McNair and her two children, of Lion's Head returned last Monday after spending a couple of weeks with her mother, Mrs. Geo. Castle.

Mrs. A. G. Smith spent a few days visiting her sister and other friends in and around Walkerton lately.

We are glad to see Mr. Donald Smith sr., able to be out after his severe illness, also to hear that Mrs. Hunt is improving.

Mr. W. Cranston has been somewhat indisposed but is able to be about again.

Among our visitors were Miss Lizzie Boyle of Glasgow, who spent a few days at the Manse. Mr. Frank Sydenham, paid friends a flying visit. Miss Saunders, of Durham is spending a week or two with her aunt, Mrs. Buchanan, Mr. and Mrs. Weir and Miss Maggie passed through here one day last week.

Mr. Alex. and Miss Sarah McDonald, of Crawford, were present at the morning and evening services in the Presbyterian church on Sunday, being guests of the Ledingham family. Mr. R. Corlett, of Williamsford, spent Sunday at home, also Miss L. Davy, of Sullivan, Mrs. A. Parks, of Williamsford, wheeled through here one day last week, as guest of Mrs. Meallen.

The Presbyterian Book of Praise was introduced in the church here on the 10th. Every body expresses great satisfaction at the collection both of Psalms and Hymns.

HAMPDEN.

Many in this locality have still to endure the dust of threshing, but grain is turning out well and complaints are few.

Mrs. Lions and Mrs. J. Little, the former I think of Blantyre and the latter of Ayr are visiting at the home of their parents Mr. and Mrs. Henry Byers. They will no doubt see many changes in the scenes of their youth.

Miss Minnie Byers has returned from Hamilton.

Our Post Master and Mistress will no doubt feel young again when reminded of earlier days by the presence of all their children and so many of their grand-children.

Mr. Michael Byers is gone to Welland. The bridge near the school house has been raised and new stringers put in. The old one were very rotten and it is a wonder that some weighty thresher had not been floated away by the large volume of the Beatty Saugcon.

The Sacrament of the Lord's Supper will be dispensed here on Sabbath. Rev. Mr. Tuttle of Dornoch conducted the preparatory services.

Our dominie D. Whiteford has been re-engaged for 1898. He expects to have a good Entrance and Leaving class next year if they attend regularly. I suppose your experience Mr. Editor is that regular attendance and hard work provide the only sure road to success? (Quite correct. Work and Win is a good motto. Ed.)

The trees and fields are taking upon themselves an autumnal appearance, the merry twitter of the bird is gradually dying away, the coat of the animal is becoming thicker, all remind us that Jack Frost will soon turn his key and hold verdure a prisoner for a season. But new pleasures and new duties will be provided for us during her confinement.

What I cant sell I will rent. I have \$1,000,000 to lend at 5 1/2 and 5 1/4 per cent. Choose your time to pay it back. Business private, charges moderate.

Merit Made

Made and Merit Maintains the confidence of the people in Hood's Sarsaparilla. If a medicine cures you when sick; if it makes wonderful cures every where, then beyond all question that medicine possesses merit.

Made

That is just the truth about Hood's Sarsaparilla. We know it possesses merit because it cures, not once or twice or a hundred times, but in thousands and thousands of cases. We know it cures absolutely, permanently, when all others fail to do any good whatever. We repeat

with her parents Geo and Ann McFarland. She was then but one year old. ONE HONEST MAN. Dear Editor—Please inform your readers, that if written to confidentially, I will mail, in a sealed letter, particulars of a genuine, honest, home cure, by which I was permanently restored to health and many vigor, after years of suffering from nervous debility, sexual weakness, night losses and weak stricken parts. I was robbed and swindled by the quack until I nearly lost faith in mankind, but then I saw I am now well, vigorous and strong, and wish to make this certain means of cure known to all sufferers. I have nothing to sell and wish no money, but being a firm believer in the "natural" method of curing men, I am anxious to bring the information to those in need of it, and to see them restored to health and happiness.
