"Then his givin' the increase of the West pasture flock to the fresh air fund—somethin' the'd read in the papers, goodness knows what! But home. The next morning Abiather home. The next morning Abiather home. The next morning Abiather home is a post of the word o 'n' of his! I've read of such doin's in ried, furtive look in her eye. "You doctor told me he could do nothing for stories, but I never knew of such to in his voice had great faith in Dr. Williams' Pink actually happen. Of course it would "No." be a good thing for Deborah Saunders, Abiather watched her thoughtfully where they had worked wonderful I ain't sayin' it wouldn't. An' it 'uld for a moment. "It ain't Deborah Saun- cures, and I concluded it would do no be good for us to do it. But there ders?" he asked.
"What makes you think it's any-tioned the fact to the doctor. The docain't no call for it. Those that's in thing?" she demanded petulantly, pick- tor did not oppose their use, but said authority have made provision for just ing up her pan of supper dishes and he thought they might do her good, such cases, and I don't see why Abi- going out of the room. ather need to interfere."

Eligiva Ann placed a fresh slice on louder, so as to reach her ears. her toasting fork. "I ain't set against it,—that is, not downright. It seems here!"

That is as to reach her ears.

The toasting fork. "I ain't set against ed back. "Deborah Saunders can come here!"

two boxes had been used, she began to show signs of improvement. She has continued their use since, and is toto me as if 't would be puttin' our- "I don't want her to come if you day a living testimony of the curative Tea. It quieted my nerves and boy. 

The cat came and rubbed her back I want her to as much as you!" against Eigiva Ann, and crawled in Abiather tried to understand his and out about the stove leg. Elgiva wife. He felt that there was some-

woodwork painted a dingy, streaked non-committal. blue. The side-walls were papered, the figure being of a pattern which talk other than looking toward Deit is now the fashion to call anything but pretty. The ceiling was smokestained, and the lath showed in paler,

There was a loud stamping of feet on the outside. Elgiva Ann closed the stove with a bang and looked for the entrance of the comer. Presently the door opened, letting in a rush of

'No," he replied with bluff cheeriness, panting while he removed his

The room was full of a dreamy warmth impregnated with sweet, homelishes, the roar of the fire, the singing of the teakettle, the soft purring of the cat-all had something cozy, restfue, and inviting in them. Abiather, holding his ear close to the stove to receive its warmth, felt all without a thought or question. He was dressed in a heavy brown suit of woolens. His face, always red, had had its color heightened by the freezing wind. His hair and beard-long, but not too long -were only less white then the snow that had recently fallen on them. The smile which so often broke over his face revealed the even, perfect work of the city dentist. The blue in his eyes was of the early morning sky. Supper's ready, Abiather." Elgiva Ann said presently, with a rising ac-

The early night of winter had come on. E.giva Ann had lowered the green shade at the window, and lighted the lamp in the center of the table. Abiather drew his chair up, and they bowed their heads while he said grace. "I was to the store this afternoon," Abiather said, taking his cup of tea across the table from his wife's hands. As he spoke he glanced around the ugly, green paper-and-wire lampshade at Eigiva Ann's face, ghastly in the tinted shadow. "Dr. Gregory was

Elgiva Ann seemed absorbed in pouring her own tea; and after a moment

Abiather continued: 'They had a meetin' of the board las' night. Mis' Adams 'll stay a week onger; an' after she's gone they'll have to take her to the poorhouse. Deborah on her crutches. But it won't do to leave her alone, he says."

"Didn't her father leave a mite o' property?" Elgiva Ann interposed. Abiather finished pouring his tea into his saucer before he answered. "Yes. But it's all owin' to the City bank; and more too. There won't nothin' be left after his debts is paid, he says." This he meant Dr. Gregory. "He says Be Not Deceived. A Cough, Hoarse-Deborah's grievin' herself most to ness or Croup are not to be trifled death, a-thinkin' she's got to go. She with. A dose in time of Shiloh's Cure worse 'n it would if she was old. An' I all druggists. don't know but he's right. The folks over 't the poorhouse are all old, except now an' then they have a baby .eft kitchen preparations, or anything else

mighty hard lines," he finished; and was motionless for a time, his eyes fast- EXTREME NERVOUSNESS ened dreamily on the bit of red flannel deep in the oil of the lamp globe. "Wa'n't it awful walkin' 'tween here an' the village, Bi ?" Elgiva Ann asked. 'I don't see how you ever waded there

"He's gettin' old and full of notions, wa'n't very bad!" he corrected impetuously. "Ben Wilson said he'd take her in an' keep her if he was able," he With these words spoken to herself, continued, dropping into his usual

'He's just as able as we are!' "We ain't got any children or grandchildren a-dependin' on us," Abiather suggested mildly as showing the dif-

"Well!" she said testily, but stopded with something of the same tone: "Did you tell 'em you 'uld take her?" "No. That's for you to say."

E.giva Ann appeared molified. "You've be'n thinkin' of it, ain't you 'Givy?" Abiather asked the question softly, and then waited her ans-"Yes, I've be'n thinkin' of it," she weather, and when they're seventy become of her then-if we did take her? Elgiva Ann thought her husband would see the poorhouse inevitably staring

"What'll become of her then ain't She was a slight built woman, with for you or me to say," he replied. "But it might be required of us now," he strangely clear for one of her years, an awful bleak, barren place," he re- land about ten years ago, and resided and her hazel eyes seemed to have sumed presently. to die, but the Lord don't let them Ann drew the curtain aside and peep- iable object; the slightest noise would ed out into the night. The storm yet disturb her and the slightest exertion Eigiva Ann turned the slice of bread ruled in fury over the country. Not almost make her insane. It required

"If it's that I won't say anything more about it," he continued a little

"I hain't said I felt. She can come.

Ann watched her when not watching high words with their impatient ring. He rose and went to the door where he The room was small and low, with could see her; but her face was set and Pink Pills are absolutely correct.

Elgiva Ann would not hear to any borah Saunders's coming. When Abiather appeared really troubled because of her manner, she changed and could have wished. For the moment of 90, living quite a distance from the in a day or two this wore away or was groceries, sent his son, a man of 70

forgotten. What made ye come in at all, Bi? young woman with a face that might comes from sending a kid." easily be called pretty. Her happiness in so unexpectedly finding friends made her a joy in the house.

It was Christmas evening-Deborah It was Christmas evening—Deborah had been with them about a month— will be Bountiful if the Simple Cold in the Head is Neglected Now - Dr. when Mr. and Mrs. Ben Wilson called The two men got together on one side of the table and became absorbed in an earnest discussion of a certain vilsome needlework sat where she could

After a time Abiather proposed that they should have some apples and rose to fetch them. He took the lamp, and followed by his friend, went into the cellar. Below-it just occurring to him-he shouted up through the floor to know if the ladies would excuse the light; and all laughed at his humor. As the men had moved away, Deborah got upon her crutches and swung herself out of the room for a fresh supply of silk. Elgiva Ann watched until

all were out of hearing, then turned to her caller. But Mrs. Wilson was the first to speak. "You do enjoy having Deborah Saunders here, don't you? An' it's so

good of you! I'm glad that it is so; an' 't you do!" "Oh, I guess we do!" Elgiva Ann responded with warmth; and then, as if something she had forgotten had just come to her: "Your tellin' me that dream has just reminded me of one I had a little while ago. I don't know when I've had anything take hold of me as it did. It was awful. It seemed as if they were just a breakin' in at every window and door to carry me off to the poorhouse; an 't I had to fight 'em!" Elgiva Ann shuddered; her tones plainly said that even now she could not dwell upon the details of her

"Was that why you took Deborah Saunders?" Mrs. Wilson asked, with a good-natured old-woman's laugh. Elgiva Ann flushed a little. She was glad they were in the dark. "Oh,-Deborah Saunders!" she said.

"Y. that was Abiather's notion!"

In buying medicines, food products, there till it can be taken to the orph-an's home." Abiather's expression was one of vicarious suffering. "It's ed by irresponsible persons.
