

PRICEVILLE.

Christmas is gone and many enjoyed themselves in being privileged to have friends with them that they did not see since last Christmas, and on the other hand it was a source of sadness to many a home for it brought some reminiscences of some loved one whom they had had the pleasure of having with them a year ago but has since gone to join the great majority in regions beyond. Even in our own little village we find many a home left dreary on this Christmas morn by the removal of some dear one who brightened the old home.

Twelve months ago, a large number of our aged friends have passed away from amongst us but traces of their footprints are left behind them which may not be easily forgotten.

Good sleighing and everything else in accordance makes lively times amongst us and everybody seems to be busy attending to their various vocations. The merry making snow cheers the heart of the pleasure seeker and many enjoy themselves on swift runners, etc.

Now is the season for socials. We have quite a number already and more to follow. The Christmas Tree in the Methodist Church on Christmas eve was quite a success and our Methodist brethren are to be congratulated on their success in their undertaking. It could not fail to be otherwise with Rev. Pastor Humphries at the helm full of vigor and sociability together with youthful pleasantness.

No preaching in the Presbyterian Church on Sunday last. The Rev. Mr. McLellan was expected but did not put in an appearance. It is time to select one now and it would put a stop to all disappointments in the future.

Mr. James Atkinson of the Medical College Toronto, is spending his holidays at his mother's, Mrs. Butters, of this place. Jimmy is always a pleasant boy and gentlemanly in his manner.

Dr. Boyle is attending to Master Tommy Campbell, of Balsam Valley, who is affected with lung trouble. Under the good Dr's treatment, we hope to hear of his getting well again.

Mr. and Mrs. Francis McLeod and Nellie and Maggie McLeod of Sunnidale, were visiting their friends on the South Line, and are off to Bruce this week.

Thos. Fisher, of the Township of King, is spending a few holidays with his aged father, Jas. Fisher and other friends in Glenelg and Proton this week.

Mr. Norman McIntyre enjoys the pleasure of driving a new cutter, bought from the well known firm of Chas. McKinnon, of Durham, also Mr. Malcolm McCannel has a new one from the same firm.

Teachers home for holidays in our village and locality:—Misses James, of Wellington Co.; D. McDonald, Allan Park; W. Nichol, Boothville; Miss McLeod, Artemesia; John A. McLeod, D. Road, Artemesia; Robt. Scott, Fairbairn, Eg't.

Messrs. Henry and W. Hoggarth are enjoying themselves as their father's, Mr. Hoggarth, of this place.

We expect a grand time at our entertainment in connection with the Presbyterian Sabbath School here on Wednesday 20th. Look out for a lengthy programme as a budget next week, the usual course will be followed by our Bro. Cor.

We will now close by wishing the Editor and the numerous readers of the REVIEW, a Happy New Year, (for we hope they enjoyed a Merry Xmas) and we may add to our young friends' Gaelic version, a few lines more.

In that ancient language,—Bliandna, mhaith ur don Fhear Dheasidheadh (agus do luchd Cùbhaibh) a phlaiper agus moran duith agus mar sin bidheadh e: slàn leat an tras.

Gaelic Translation—Happy New Year to the Editor and to the many readers of the REVIEW and a long list of the same in future (that is of years.)

As the evening was rather a pleasant one the school-house was crowded. The program was varied consisting of addresses, recitations, readings, singing and instrumental music, all of which being of a very superior quality was pronounced excellent. At the close of the entertainment the teacher was presented with a toilet case, a photograph album and an ink stand along with the following address:

DEAR MISS LOGHRIN.—It is with feelings of regret that we the pupils of School Section No. 2 Egrement, are compelled through force of circumstances to sever our pleasant association as scholars and teacher and we can assure you dear teacher we will long remember your kindness and patience to us as scholars since you have been our teacher. We sincerely hope that wherever your lot is cast you will remember the scholars who attended school while you were here. We are satisfied that a large majority of the ratepayers and scholars in our section are very sorry to lose your services as teacher. Dear teacher accept these small presents as a token of our esteem and respect. Can't Eat

This is the complaint of thousands at this season. They have no appetite; food does not relish. They need the toning up of the stomach and digestive organs, which a course of Hood's Sarsaparilla will give them. It also purifies and enriches the blood, cures that distress after eating and internal misery only a dyspeptic can know, creates an appetite, overcomes that tired feeling and builds up and sustains the whole physical system. It so promptly and efficiently relieves dyspeptic symptoms and cures nervous headaches, that it seems to have almost "a magic touch."

Hood's Sarsaparilla

Is the best—in fact the One True Blood Purifier. Hood's Pills are the best after-dinner pills, aid digestion.
