EXPOSURE TO DISEASE does not necessarily mean the contraction of disease provided the system is in a vigorous condition, with the blood pure and all the organs in healthy action. When in such a condition contagion if readily resisted and the disease germs can find no lodgement. Hood's Sarsaparilla is the best medicine to build up the system because it makes pure, rich blood, and pure blood is the basis of good health. In cold weather it is especially necessary to keep up the health tone because the body is subject to greater exposure and more liable to disease. Hood's Sarsaparilla is the safeguard of health.

BAPTIST ENTERTAINMENT.—On Friday last the Baptist Sunday School here had their Annual Entertainment in the Town Hall and so much interest was taken in it that the accommodation was limited. Mr. Jno. Brown occupied the chair and very pleasant was his duty as he called off a fine programme of dialogues, recitations, etc. The singing by the children was admired and various other musical groups helped on the evening. Got up to please the young people, the collection was no object yet \$11.00 was realized by a voluntary offering.

PRESENTATION IN BALLINAFAD.—The following, taken from the Guelph Mercury, shows the appreciation in which Mr. and Mrs. Campbell, now of Dromore and Knox Church, Normanby was held in their late charge: "On New Year's Eve the usually quiet Presbyterian manse in Ballinafad was the scene of festivity and music not unminged with an underlying current of sadness. The numerous friends of Rev. D. L. and Mrs. Campbell, despite the inclement weather had met together to pay their respects and wish them God-speed in their new field of labor. Mr. A. Fowlie, of Erin, was chosen chairman, and an address was read by Miss M. Thompson, followed by the presentation of two handsome chairs and a valuable purse by Miss A. McClure. On behalf of himself and Mrs. Campbell, Mr. Campbell in his usual pleasing manner briefly reviewed his sojourn in Ballinafad, and thanked his friends for their kindness, past and present. He could not hope to ever again meet with as much fellow-feeling on the part of his adherents as he had met with in Ballinafad.

AN OLD LAND MARK.—Mr. Arthur Jackson has this week begun the taking down for removal, the old Dalglish granary over 30 years a conspicuous object on approaching Durham from all sides. It was built in the palmy days of the early 60's long before the iron horse had invaded Durham, or Roller Mills and electric lights were thought of. At a time when more wheat was "teamed" to Guelph in a week, than now passes over our railway in a year. How many remember these old times? The early drive with "Buck and Bright!" the string of teams waiting their turn to get unloaded. The hoisting of heavy bags into full bins, the leisurely drive home with the weekly mail from "Bentnick P. O." as we believe it was once called. But to the building: no building erected here now has such a wealth of splendid pine lumber in it. Or nomenclature was not spared and its famous heavy cornice was often remarked. It was built to last and the size and quality of its timbers shows that nothing superficial was in the mind of the proprietor. It has outlived its usefulness however, at least on its present site, and will again rear its head on the Griffin property lately purchased by Mr. Arthur Jackson for a sheep farm, a few miles to the north. Sic transit gloria mundi.

YOUR LABEL.—We have this week corrected our mailing sheet up to date. If your label is not right we will esteem it a favor if you will let us know. If in arrears we would respectfully ask your attention to it.

Councillor Williams, Glenelg, Mrs. Williams and their two daughters were in town Tuesday. One of the daughters has been 18 months in the "County Capital" the other about 4, and they are brightening home and hearth for about two weeks at present.

## CARD OF THANKS.

I beg to thank the electors of Glenelg for the very hearty and generous support accorded me in the late election, and to assure them, that I shall ever esteem it my duty as well as my privilege, while entrusted with their confidence, to serve them to the best of my ability in all that concerns the welfare of the township.

Yours faithfully,  
JOHN WILLIAMS.

Miss A. Matthews, of Durham, was the guest of the Misses Wallace one day lately.

Mr. W. Walker visited recently at Mr. G. Johnston's.

## GLASCOTT.

The Municipal battle has again been fought, and a Lamb has been slain, over which some will rejoice and make merry though no doubt later on will regret their actions, while the great mass in the north of the Tp. who failed to poll their vote are now biting their finger nails, pretty close to the quick for their neglectfulness in doing their duty in the campaign. Overconfidence with many had much to do with it, and therefore remained at home resting or their oars. Mr. Lamb was single handed in the fight, hasn't a relative vote in the Tp., and therefore feels his defeat keenly.

Mr. Wm. Williamson has been seriously ill for some time and is therefore considerably weakened down in health. Hope he may soon recover to his usual.

Mrs. Frank Prial is also quite indisposed with little hopes of recovery. We all sympathize with Mr. P. in this his time of trouble and sickness.

Mr. Wm. Ritchie of Edge Hill has a large contract up here supplying lumber, stone, sand, etc., for the erection of a large barn and dwelling house to be built next summer on his brother John's farm in Holland. He is rapidly pushing the work forward.

John Duncan is engaged with M. K. Beaton hewing square timber out near Collingwood.

Mr. Thos. Townsend has returned from visiting friends for two weeks in Clinton district.

Oh say Mr. Ed. will Mr. McMillan not feel somewhat lost from the fold which is placed at Edge Hill.

## HOPEVILLE.

The holidays passed over without much excitement, only the little friendly entertainments.

Our Municipal Election for Dep-Reeve, D. Wilson got there without a run. There was a good man nominated against him but resigned. For Reeve, D. McKenzie came out 16 votes ahead of P. Shaw.

Councillors J. Corbett and G. Wright was returned with J. A. Cooper has a new man.

Ontario Parliament election is talked of of. Dr. Jamieson drove through here to Dundalk and called to see his friends and do a little private talking.

Wm. McGruther moved back to our town. He knows where there is a good place to live.
