

YMAS WEDDING BELLS.

A very pleasant event took place in Poplar Grove, at the residence of Mr. Andrew Brown, Minto, by the marriage of his oldest daughter Miss Lizzie to Mr. Frank Leppington of the same vicinity.

At 5 o'clock p. m. the bride dressed in cream cashmere neatly trimmed with lace and ribbon and with orange blossoms twined prettily in her hair, was escorted into the comfortable parlor by her father (who gave the bride away) followed by the bridesmaid Miss Mary Brown, dressed similarly as the bride with the exception of Hyacinth flowers in her hair, appropriately supported the bride while the groom was ably helped through the trying ordeal by Mr. Robert Leppington. The maid of honor Miss S. McKinnon, of Durham also filled well her post of honor.

Meanwhile the wedding march was being played by Miss Aggie McCready of Harrison.

The Rev. Mr. Monroe of Harrison having duly completed the marriage service, the happy young couple was warmly congratulated by their friends then followed the sumptuous supper which was enjoyed amidst much cheer. The bride's cake was indeed something worthy of mention. It was decorated in white and silver confectionery and white flowers with silver leaves.

The kind and generous hospitality of Mr. and Mrs. Brown was largely enjoyed, with music and games of various kinds into the wee sma' hours.

Among the guests we noticed from outside points were, viz:—Mr. and Mrs. Thos. Leppington and Mrs. Whitey and daughter, Miss Helen from Palmerston. Miss Susie McKinnon of Durham, Mr. D. McKinnon of Fairwell Corners, Mr. and Mrs. James Brown, Mr. James Brown Jr. and Miss Lizzie Brown of Mt. Forest, Mr. and Mrs. Leppington Sr. and Rev. Mr. and Mrs. Monroe and Miss Aggie McCready of Harrison. The following are the valuable presents presented to the bride, showing in what high esteem the bride is held by her many friends:—1 dinner and tea set of fancy dishes 1 family, self-promoting, parallel bible, bound in full morocco, 1 (eight day) oak cased clock, 1 silver butter cooler, 2 silver pickle cruet, 1 fancy bed room set, 1 dining room lamp, 1 water set and painted, 1 china cheese dish, 1 sugar and butter knife, 1 dozen silver tea spoons, 1 dozen silver knives and forks, 1 framed engraving, 1 red and green fancy table cloth, 1 cake stand 1 berry dish and 1 dozen berry napkins, half dozen fruit saucers, 1 pair fancy vases, 2 pairs pillow shams (drawn worked), 1 centre piece, 1 set of dollies, 1 set of table mats, 1 gold lined cake plate and stand, 1 photo album and 2 sideboard drapes, 2 hymn book, lady's, and gentlemen's fancy cups and saucers.

WELBECK.

Intended for last week.

Mr. and Mrs. Jas. Bell of Lauriston, was for a few days last week visitors of Mr. and Mrs. H. Anderson's.

The annual school meeting was held here on the day and hour prescribed by the School Act. Enough rhetoric and warmth was displayed to raise the temperature considerable and will surely cause a January thaw. Mr. D. Stewart was elected to the vacancy on the school board. This makes a trio of staunch patrons on the school board and as purity of administration and economy are plans in the P. of I. platform, it will also be strictly adhered to in school affairs.

Miss Sarah Stewart left this morning (Monday) to take charge of the Lurie Academy of learning for 98.

Just as Good

as "Scott's" and we sell it much cheaper," is a statement sometimes made by the druggist when Scott's Emulsion is called for. This shows that the druggists themselves regard

Scott's Emulsion

of Cod-Liver Oil with Hypophosphites of Lime and Soda as the standard, and the purchaser who desires to procure the "standard" because he knows it has been of untold benefit, should not for one instant think of taking the risk of using some untried preparation. The substitution of something said to be "just as good" for a standard preparation twenty-five years on the market, should not be permitted by the intelligent purchaser.

Be sure you get SCOTT'S Emulsion. See that the man and fish are on the wrapper. See and \$2.00, all druggists.

PRICEVILLE.

The Municipal Elections are all over for the present year and as a result some are of course defeated and that by very small majorities. In Artemesia we find that Mr. John McArthur made an extraordinary good run for Reeve considering the disadvantages he had to contend with. First he had had the strongest man in Artemesia as opponent; second he was a resident of almost the remotest part of the municipality and yet he was only defeated with the small majority of 27 votes.

Councillor McMillan re-elected by a small majority over A. Muir in Ward No. 1. In Glencly we find that the Council are very near all at Edge Hill—all good men to be sure—but the Bannock was badly divided, 3 wards without a Representative—too bad.

Mr. Allan McLean of this village is in a low state at present and is attended to by Dr. Boyles under whose treatment we hope to hear of her recovery.

Died on Tuesday night on the South Line Artemesia, John McDonald, son of James and Isabella McDonald of inflammation of the bowels, aged 17 years and two months. The deceased was a promising young man and the mainstay of his father and mother thus we are reminded that death is no respecter of persons for he visits all classes of the people old and young, rich and poor. The funeral sermon was preached by Rev. Humphreys, A large number followed the remains to the Priceville cemetery.

Made and Merit Maintains the confidence of the people in Hood's Sarsaparilla. If a medicine cures you when sick; if it makes wonderful cures every where, then beyond all question that medicine possesses merit.

Made

That is just the truth about Hood's Sarsaparilla. We know it possesses merit because it cures, not once or twice or a hundred times, but in thousands and thousands of cases. We know it cures, absolutely, permanently, when all others fail to do any good whatever. We repeat

Hood's Sarsaparilla
