Monday.

Miss McCaul has opened an office in
the McIntyre block, and will be pre-
pared to take down by dictation and type-
write any correspondence, documents,
accounts, &c., entrusted to her.

Mr. and Mrs. Donald McArthur, of
Bentnick, are seriously ill of influenza,
but under the doctor's care we hope to
hear of their recovery. Both ill at once
makes the position a trying one.

NOTICE.—All those indebted to C.
McArthur are respectfully requested to
call at once and settle their account by
cash, note or produce. We need the
money and must have it.—C. McArthur.

Mr. Dougall McArthur who was visit-
ing friends in Bruce lately will spend a
few weeks with Durham friends before
leaving for Victoria enroute for the
Klondike. Mr. McGillivray from Bruce
accompanies him and is visiting friends
in Bentnick and Pricville.

CURLING.—Messrs Cochrane, Allan,
Whelan, Peel, Lauder, Jno. H. Hunter,
Mockler and Calder, (the two latter
skips) drove over to Walkerton on
Saturday to try conclusions with South-
ampton but found themselves out-
matched completely we believe, though
having some good play. Before the
season is over, however they expect to
show up something good.

SCHOOL CONCERT.—The pupils and
friends of S. S. No. 9, Glenelg, (taught
by Miss M. Large) intend having a fine
concert on Friday evening the 28th inst.
The programme will consist of music
by the Children, drills, dialogues, rec-
itations, etc. Prof. Peel will be present
and give instrumental selections and ad-
dresses will be given by Inspector Camp-
bell, Mr. Allan and the two Durham
Editors. Admission 15c and 10c.

DROMORE FORESTERS.—On Thursday
February 3, the Court of the I.O.F. at
Dromore will have an entertainment,
of a class seldom seen in a country place.
They have engaged two stars having a
provincial fame, Miss Tessa McCullum,
and Mr. H. M. Bennett. The former ex-
cells as an elocutionist while Mr. Ben-
nett as a humorist has few equals any-
where. Reserved seats are 35c (a plan
to be seen at Dromore P.O.) general
admission 25c. We may expect Russell
Hall to be filled to overflowing on this
occasion.

FOLLOWED THEIR ADVICE.—I broke
out with great blotches on my face, and
friends told me my blood was out of
order and that I ought to take a bottle
of Hood's Sarsaparilla. I followed their
advice and from that time to this
I have not had any eruptions on my
face. I know Hood's is a good medicine.
MRS. A. E. RADKEY, St. Louis,
Michigan.

Hoods Pills cure nose, sick headache,
indigestion, biliousness. All druggists,
25c.

THE ELECTRIC ROAD.—Mr. Laidlaw
received a letter Monday from the solicitors
of Mr. Pew announcing that that
gentleman is now ready to take the con-
tract for the construction of the Huron
and Ontario railroad. In order to se-
cure parties to whom he is to give stock
on account of their subscription, the
contract has to be made out in his name
and a meeting is desired at an early
date to conclude the matter, so that "as
soon as possible the work may be got
under way to obtain the benefits to be
desired from the building and opening
of the road." This is the latest move,
and the directors should lose no time in
getting Mr. Pew to "get a move on" and
let a contract for ties or do something
practical.

AT HOLSTEIN.—A meeting of the S.
Grey Farmer's Institute, will be held on
Wednesday next in Holstein Agricultural
Hall, both afternoon and evening.

Mr. S. T. Rowe of Paisley, is visiting
his brother-in-law Mr. S. Orchard and
other friends in the vicinity.

arilla will do you wonderful good.

night in Meaford at the home of her
brother Mr. C. M. Culbertson, V. S.

C. O. F.—The gramophone literary
and musical entertainment in the Town
Hall tomorrow (Friday) night, promises
to be a big success. Seats are going.

Mrs. Poole of Mt. Hope, who has been
the guest of her daughter Mrs. Wolfe,
for a few weeks, has gone to Meaford,
to visit another daughter Mrs. Culbert-
son.

C. O. F. CONCERT.—The Society here
will hold a Concert in the Town Hall on
Friday, 28th inst. A male quartette of
local voices will give some good selec-
tions, Phonograph, etc. Admission 15c
and 10c. For plan of Reserved seats
call at Gun's Pharmacy.

ORCHARDVILLE.—Owing to the miser-
able weather of Thursday last the
Baptist Soree here was very thinly
attended, about 60 being present.
Lisp. Campbell and Mr. Irwin from
Durham gave their assistance, and in-
deed the platform end of the meeting
was allright.

SOUTH GREY S. S. ASSOCIATION.—A
meeting of the executive of this body
is called for Tuesday, Feb. 1 at 1 p.m.
in the Presbyterian Church Durham.
Reorganization is the object, and all
S. S. workers are invited to be present.
The meeting is called by Rev. E. A.
Harrison, Dundalk, member of the
Provincial Exec. for S. Grey.

We must congratulate Mr. Asa Rob-
son and Mr. M. N. Clark on their success
in passing the professional 1st Class
Teachers' examination at the Norma
School. They are pushing and ambi-
tious young men and it is a pity the
teaching profession is so overcrowded
for there is not much pecuniary reward
for such scholars.

The Annual Convention of the Butter
and Cheese Association of Western
Ontario was held in London last week.
Mr. A. Wenger, of Ayton, and Mr. W.
Coleridge, Yeovil, were among those
in attendance from this part. The latter
reports a successful meeting, especial
thanks to Road Instructor Campbell and
Robertson, the Dairy Commissioner.
Next meeting is to be in Guelph.

APPRECIATED.—Two sleighloads of
young Baptist friends from Orchard-
ville drove to the home of Mr. Z.
Clark, Varney, last Monday evening
bringing with them a purse of \$42
which was presented to Mr. Clark in
recognition of his spiritual labors
among them. Mr. Clark appropriate-
ly acknowledged the gift after which
a pleasant sociable evening was spent.

CENTRE GREY.—At Markdale on
Saturday last Mr. J. Davis, who came
within 1 vote of getting the Reeveship
of Euphrasia was nominated by a
Patron or "Independent" Convention
as candidate in the coming elections.
He takes the place Mr. Ganey had to
vacate on account of his health and his
presence in the field will we are told
help Mr. Boland, the Liberal Candidate.

IMPROVEMENTS.—Mr. Laidlaw has
been making extensive alterations and
improvements in the rear of his store.
Another storey has been added with
ample skylight facilities and a central
opening or "light well" admits the
light to the ground floor. A fine room
is thus secured admirably adapted for
Millinery purposes to which we under-
stand it is to be devoted. Adjoining
the main show room are two smaller
rooms which are intended to be work-
shops for milliners and tailors respect-
ively.

VARNEY.—The entertainment by the
local Orange body here on Tuesday
night was a success though the ele-
ments interfered. Over \$30 was
realized. Messrs Jones and Galbraith
supplied the bulk of the program, the
gramophone being in good shape, and
its laughing numbers especially being
much appreciated. Mr. Galbraith both
in comic and sentimental singing was
a great favorite while Mr. Jones' read-
ings were voted good. Messrs Allan
and Ramage both spoke briefly
Reeve Staples, of Glenelg, made a
good chairman and the best of order
prevailed, Councillor Williams and
some other friends were present from

that Insurance Companies will not be
responsible for the risks on persons who
go to the Klondike.

DURHAM HORTICULTURAL SOCIETY.—
We hope our readers will peruse care-
fully the report of the above Society in
this issue, and if not members deter-
mine at once to become such.

NO WONDER.—The post office revenue
continues to grow and no wonder. A
Chatsworth gentleman, the "News" in-
forms us, posted his first letter in the
local office last week although a resident
for 22 years.

S. OF S.—The local camp of this grow-
ing Beneficial Society are experiencing
good times. They initiated 6 new mem-
bers at their last meeting, and we be-
lieve 7 or 8 more candidates are waiting
for admission next regular meeting
night, Feb. 4th.

MOVING SALE.—Mr. J. A. Hunter is
this week and next in the midst of a
moving sale preparatory to occupying
the fine new quarters in the McIntyre
Block on Feb. 7th. The new store is
this week lit up and a brilliant array
of electric lights make a display,
which, when turned on to bright new
goods will have a charming effect.

POULTRY.—At the Poultry and Pet
Stock Association in Owen Sound last
week, Durham fanciers were represented
by Messrs Leavens, Holt Brown and
Moore, who sent in about 40 entries.
They were successful in taking some
of the best prizes, showing that Durham
is entitled to consideration from the
County in the matter of a Poultry
Association.

FIRE BRIGADE.—Officers and members
of the Durham Fire Brigade for 1898:
R. Torry, Chief; J. Harbottle, Lieut.; J.
Rose, Sec. Treas.; W. Benton, Engineer;
Geo. Meikle and Chas. Leavens, Asst.
Engineer and Firemen. Reel No. 1—E.
McClarkin, Foreman, N. McIntyre, W.
Monroe, E. McFarlane, J. Wright, F.

Co.—C. Elyidge, Foreman, C. Ryan, W.
D. Connor, J. Jack, Wm. Wright, B.
Warner.

We hear that the "Family Herald and
Weekly Star," of Montreal, will publish
during the next few months special
articles of extraordinary interest about
farming in the North-West. The infor-
mation which is at the service of the
"Family Herald" is said to be of enor-
mous value. The "Family Herald"
readers are sure to get the latest and the
best information about the gold fields,
the gold fever, and how to profit most
by them. It is no wonder the "Family
Herald and Weekly Star" holds its old
subscribers and is getting myriads of
new subscribers every week.

Look out for J. A. Hunters Opening
Ad., next week.

OLD LANDMARKS.—The razing of the
old Dalglish granary is about complete
and the raising (strange language
ours) of it again will take place on Mr.
A. Jackson's new farm before spring.
Another and somewhat more notable
building is also to be devoted to other
uses. The old Orange Hall erected
away back in 1857 has been sold to
Mr. A. Hopkins west of the town for
\$40, and its demolition has been begun.
It was in its time a useful building, for
in addition to its society use, it was uti-
lized for public meetings of various
kinds and not a few of the present gen-
eration of Durhamsites went to school
within its walls. But the lum of the
learner, the eloquence of the orator,
and the songs of the Salvation Army and
the beat of the Orange Goat will be
heard there no more. Of late years it
has been falling into decay, and none
will regret its disappearance, though
it severs a connecting link between the
past and the present.

The big departmental store will soon
be in Lower Town 1
