Another pioneer has answered to the Roll Call of death on Saturday last in the person of Mrs. George Sherman who has been a sufferer of cancer for a long time. Her last month's illness was severe and trying, and death was a relief to her. In religion she was a consistent member of the Methodist Church. She leaves a husband and a large family to mourn her loss. The funeral took place on Monday when the remains were interred in the Latona cemetery to await the resurrection morn.

Miss Flora McDonald was home for a few days after an absence of two months dressmaking in Glenelg.

On Tuesday night of last week the Methodist body of this place held a successful soiree, the evening being fine and the roads good, people gathered from far and near until the church was filled to the door and standing room was scarce. The presence of the Elmwood choir added much to the entertainment of the evening, also the Boyd and Boyce family who gave a quartette. Addresses were delivered by Revs. Anderson, Garner, Burns and the pastor Rev. Mr. Matthews, also Dr. Bean of Elmwood and Mr. Irwin editor of Durham Chronicle and his daughter Miss Maud, who gave two recitations which were the feature of the evening. The meeting was conducted by Mr. Jas. Wilson of Louise. A social was held the following night, proceeds in all \$84.53 cts.

Mr. John Lake we understand has exchanged his farm for the Royal Hotel Elmwood, and will begin his duties in a short time. Mr. Lake will no doubt make many friends there as he is a

Thin Blood

Where the blood loses its intense red—grows thin and watery, as in anemia, there is a constant feeling of exhaustion, a lack of energy—vitality and the spirits depressed.

Scott's Emulsion

of Cod-liver Oil with Hypophosphites of Lime and Soda is peculiarly adapted to correct this condition. The cod-liver oil, emulsified to an exquisite fineness, enters the blood direct and feeds its every corpuscle, restoring the natural color and giving vitality to the whole system. The hypophosphites reach the brain and nerve centres and add their strengthening and beneficial effect. If the roses have left your cheeks, if you are growing thin and exhausted from overwork, or if age is beginning to tell, use SCOTT'S Emulsion.

Be sure you get SCOTT'S Emulsion. All druggists, etc., and \$1.00. SCOTT & BOWNE, Chemists, Toronto.

Mr. McDougall emigrated to this country over fifty years ago, in coming into the forest he settled on lot 26 con 8, where he lived alone until about six years ago when he sold his farm. He spent the remainder of his life with his nephew Allan McDougall.

Misses Mary and Kate McDonald visited Rocky Saugeen friends last Saturday.

Mr. D. McKinnon Jr., and Miss Maggie visited Aberdeen friends on Saturday and Sunday last.

The C. O. F. Society of Louise held a magnificent concert on Thursday night of last week. The famous ventriloquist, Mr. Pearce of Paisley was present with his Joe and Jerry in good humor which was amusing to the audience. The balance of the program consisted of songs, solos, readings and recitations by home talent, also club swaying by Miss Stewart of Louise. Mr. McDonald occupied the chair, proceeds \$30.00.

The Emke Brothers of Elmwood were hauling some mammoth logs from the bush of A. McDonald Sr., last week for which they got good returns.

LATONA

(Crowded out last week.)

On Friday evening of last week young people numbering about forty gathered at the residence of Mr. Malcolm Cameron to spend an enjoyable evening with an old school mate in the person of Miss Maggie, who recently arrived from the city. According to reports they were in no wise disappointed as all speak highly of the warm reception they received from host and hostess. Mr. Pierce ventriloquist added greatly to the enjoyment, Jerry in his conversation seemed wonderfully well to understand the circumstances and needs of some of the young men.

Mr. Riddell of Welbeck called on some of our burg last week advocating a book which he has purchased from a lady agent of Durham, entitled "The Life and Reign of Queen Victoria." It seems to have gained the confidence of the Lady and we may ere long have her reign also.

AN IMPORTANT CURE.

4th con. of Bruce Tp., Willow Creek P. O., April 3, 1896. J. M. Leod, Goderich:

Dear Sir,—I was sick for five years. I was treated by six doctors. My thing I ate distressed me. I was reduced to a skeleton. The pain in my stomach was intolerable. What I did eat came up as soon as it went down. Life became a burden to me. I was told that I had a cancer in the stomach, and that it would take a long time to cure me. You can well judge when told this that I concluded I could not be cured. I began to swell so much and not getting any relief I thought my case hopeless. I was advised not to eat anything for two weeks—this was unnecessary as I could not eat anything. I was not in good shape to leave home in cold and stormy weather, but I had confidence in you, knowing so many cases that you cured in this neighborhood, among whom are many of my old friends. I got a friend to drive me to Goderich last November. I could not rest until I was taken there. I remained five days at the Union Hotel, where they treated me well and kindly till I got the flannel band you made for me fitted on. I was taking your System Renovator Improved all the time, and the first application of E. A. McLennan's Liniment relieved me greatly. I was free from all pain and eating well the day I left Goderich. I was gaining daily. I continued until I took three bottles of the Renovator and two of the Liniment. I felt that I was cured and well long before I finished, but was anxious to gain strength and weight, which I have. I began to work almost as soon as I came home. I have been well and feel as well since then as ever I did in my life. My confidence was not misplaced. I tender you my sincere thanks.

Yours truly, NEIL ROBERTSON. Sold by H. Parker, Durham.
