The Liquor License Act provides for the closing of all hotels on election day in any polling sub-division | Preton in which an election is in progress, and all the other hotels in Hanover had to close up. Perfectly Cured

Weak and Low Spirited - Nervous Prostration - Appetite Poor and Could Not Rest.

"I take great pleasure in recommending Hood's Sarsaparilla to others. It has been the means of restoring my wife to good health. She was stricken down with an attack of nervous prostration. She suffered with headaches and her nerves were under severe strain. She became very low spirited and so weak she could only do a little work without resting. Her appetite was poor, and being so weak she could not get the proper rest at night. She decided to try Hood's Sarsaparilla, as we had heard it highly praised, and I am glad to state that Hood's Sarsaparilla has perfectly cured all her ailments." G.
