It evidently mani- undergo that humiliation, for rushing fests the bogus politics of the republic, into war. demonstrating to us the tricky plans | The Curan republic is nothing "but provoked and sustained by themselves. | Senate of the United States." Her prudence and moderation have He thinks the Maine disaster is more avoid a rupture.

Spanish.

'It is our turn to have the honor defending her and we will know how to do it with decision and an effort many a time put forth, I count upon you for this with absolute certainty. I partial tribunal on the fact, and then, believe there is no sacrifice you are not prepared to make in defence of the national territory, whose integrity is regularly preferred and refused, are sacred to all Spaniards of whatever origin. I am sure that every one in whose veins runs Spanish blood will respond readily to the call which in these solemn moments, I address to all or privations to weaken the heart of be the next President."

"To arms then, fellow countrymen, to arms! There will be a place for all contribute with the same firmness and enthusiasm to fight the eternal enemy of the Spanish name, emulating the exploits of our ancestors who always exalted high their country's fame and

"To arms! Cry a thousand times 'Viva Espana.' 'Viva El Rey Alfonso XIII,' 'Viva La Reina Kegent,' 'Viva Cubr, always Spanish.'

Your Governor General, RAMON BLANCO. "Havana, April 21, 1898."

-- "Bystander" in last week's Sun has an able article on the war situation. While convinced that Spain must with draw from Cuba by the long, dire and sanguinary experience which has proved that she cannot govern it to the advantage of the Cubans or her own," he yet regrets the abrupt way the American diplomats have concluded the

negotiations. He says: "But the process, humiliating at best, ought to have been made as easy as possible to Spanish pride; the language of moderation and respect ought to have been studiously maintained, and all the resources of diplomacy ought to personnel of the legation. has been sent on an errand of mercy tatives ceased,

Editorial Note & Comment and reconciliation, which he seems well disposed to fulfil. The Liberal Government of Spain, in dealing with a question of national honor, is beset by great domestic difficulties and dangers. The dynasty is threatered with subversion by the resentment of the army, of which the Carlist party, embodying all the pride and ignorance of old Spain at once hastens to take advantage. Yet great con-"Without any reason, without the cessions are tendered. An armistice is proclaimed.
