## LOCAL AND GENERAL

Next Tuesday is Fairday.

For a slick running, neat wheel, buy the Massey Harris Bicycle.

Strictly pure Paris Green, Bug Poison, Slug Shot and other bug killers at MacFarlane's Drug Store.

No other preparation has ever done so many people so much good as Hood's Sarsaparilla, America's greatest medicine.

SCHOOL PICNICS.—On Saturday next, Allan Park School, D. McDonald teacher, and No. 1 Normanby, J. Redford, teacher, will hold summer outings for which appropriate preparation is being made.

ICE CREAM SOCIAL.—S. S. No. 12, Egremont, Miss S. Scott, will hold an ice cream social in the School House at 7 p. m. on Tuesday 28th inst. A good programme in preparation. Admission 10cts.

ROAD GRADING.—An exhibition of the road grading machine at work is to be given on Durham streets on Thursday and Friday of this week. Don't fail to see it. The work done last week is highly commended.

Fine rains have gladdened the heart of the agriculturists, and made the hay crop anyway secure from further drought danger. Even grain crops will be sent well on their way and the brain of turnips should be an excellent one.

RATEABLE PROPERTY.—The Assessors roll shows that Durham has in real property an assessable value of \$297,022; Personal property, \$340,500; Taxable income, \$3,000, a total of \$640,522. This is however reduced by exemptions to \$300,732.

We are informed that the Massey Harris Co. of Toronto, will have their seasons out put of Binders and Mowers disposed of very soon. Farmers who purpose investing in one of those popular machines should see their local agent at once.

HONOR ROLL.—By an inadvertency the name of Archie Davidson was omitted from the Durham Honor Roll in last week's Review. He stood second in class Junior A, being only 1 mark behind the leader, and we gladly rectify a mistake which little folks feel keenly.

ONE MILLION DOLLARS.—Dr. Potts an eminent Methodist divine has a scheme to celebrate the twentieth century opening by raising \$1,000,000 to apply to the various funds, missions &c. of the Methodist Church. The Toronto Conference last week adopted it, and plans will be laid to complete it.

SONS OF THE GAI.—Pricerville Sons of Scotland intend next Tuesday to have a field day. Scotch games of skill and strength. High class Highland Music and dancing and prizes high enough to tempt to prowess, are all provided for. Everybody who is anybody within 10 miles of Pricerville will be there on the 21st.

DOUBLE MARRIAGE.—Mr. and Mrs. S. Atwood, are invited to the marriage of two daughters of Mrs. Arch. McLellan, formerly of this town now of Detroit, Mich. on the 22nd inst. The daughters are Kathleen and Alma Lauriston and the bridegrooms are respectively Mr. Manly and Mr. Stockton. We extend felicitations in advance.

RECRUITS WANTED.—8 stalwart young men are wanted by Lieut. Galbraith to complete No. 4 Company's strength. Next Monday evening a parade with volunteers in full uniform is to take place and our citizens might spare a few minutes to watch the boys and give them some encouragement. The precision already secured, as we observed it last Saturday evening is very creditable to Lieut. Galbraith and his boys.

A STREET BRAWL.—Last Saturday night a fracas took place near the hotel corner in Lower Town which resulted in the arrest of two itinerant gypsies and a young man named Cameron, for breaking the peace. They were placed in correction castle till Monday morning, when at 9 a. m. they were brought before the Mayor along with John McDougall. After evidence was taken, the two strangers were fined \$5 and \$3 or 60 and 30 days respectively with costs. McDougall and Cameron were mulcted \$3 and \$1 respectively with costs, both receiving some wholesome magisterial advice. The Mayor pointed out the necessity of the public acting with the constables to secure a better observance of the law. He intimated that for similar outbreaks in future a heavier fine was in store.

The exports of Manitoulin Island during the season of navigation, 1897, were as follows:—433 horses; 3,000 cattle; 7,272 sheep; 1,321 live hogs; 59,500 lbs. dressed hogs; 287 tons of fish; 127½ tons of hides; 371 quarter beef; 63,231 bags of potatoes; 1,171 tons hay; 1,350 bushels wheat; 10,300 bushels oats; 12,900 bushels of peas; 3,127 tubs of butter; 1,170 boxes of cheese; 30 tons of butter; 303 baskets of cranberries; 5,223 baskets of blue berries; 303 cases of eggs; 2,300,000 shingles; 6,645,30½ feet lumber; 346,657 ties; 162,643 posts; 610 cords of wood.

LARGE BUTTER SHIPMENT.—On Wednesday of last week the first shipment of the season was made from Durham Creamery. The price realized for the output, which was all made in the last 8 days of May, was 16c, and there being 195 boxes of 56 lbs each, a total of 10,920 lbs, their was realized the handsome sum of \$1747.20 a very large portion of which finds its way into the pockets of the farmers. A much larger make than this is expected for June and as the June article is always a better quality, fewer weeds, with clover in full bloom, there is a certainty of increased prices. The goods go to England and were shipped in one of the new refrigerator cars which are now furnished for facilitating this traffic.

ROAD GRADER.—Last Friday an exhibition of road grading was given in town, which considering the material the machine had to work on must be said to have been fairly successful. The machine was an object of some interest to many who had never seen one before, and its construction seems to be on principles of strength and adaptation which must make it before long a necessity for roadmakers, and street makers too. It is said it will stand the strain of four teams. A few passages were made on the flinty street from the Mid-land House southwards but without much impression, but it was seen to much better advantage on the street running north from Mr. Holt's residence. On the average country road, without boulders, the machine should prove of great value. We are credibly informed that the Artemesia machine completed 80 rods of grading in five hours. The price of the machine exhibited here is \$250, but it is not of the largest size.

## OBITUARY.

MISS ANNIE MCCORMICK.

The dark shadow of death has again crossed the threshold and another is called away to join the great and silent majority in the person of Miss Annie McCormick, on Friday June 10th, at her home, near Glenelg, in the Tp. of Glenelg. About the first of last March the deceased had an attack of Pleurisy and Heart trouble and under Dr. Park's attendance was doing well and thought to be out of all danger, but a few days ago the same trouble returned and on Friday last death ensued. Her remains were laid to rest in the Rocky Saugeen Cemetery, on Monday June 13th, a large concourse followed the remains to the grave. The Rev. Mr. Burns conducted the services, taking for his text the 15 chapter 1st Corinthians and 57 verse, from which he gave an earnest address. "But thanks be to God which gives us the victory through our Lord Jesus Christ."

The deceased requested before her death to sing at her funeral the hymn entitled "Oh Happy Day that Fixed My Choice, &c." She died in the full assurance of a glorious resurrection. The bereaved family have the sympathy of the entire community.

MRS. ROBT. COCHRANE.

Early Monday morning Mrs. Robt. Cochrane was called away. For some time back she had been in delicate health, and the sad death of her daughter, last March, weighed heavily upon her. She was a daughter of the late Alex. Hunter, and was in her 63rd year. Much sympathy is felt for Mr. Cochrane who has in a brief period seen two of his household lights extinguished, besides the loss of a grandchild. Miss Kate Cochrane, Mrs. Robt. Gray, Hamilton, and Mrs. S. F. Morlock, are the members of the family within reach, two sons being in the North West. Mrs. Cochrane was of a retiring disposition, a devoted wife and kind and indulgent mother, and her removal will cause a large gap in the lives of her dear ones.

MRS. THOS. BOULDEN.

Very suddenly, without ache or pain we are informed, Mrs. Boulden passed away at the residence of her son James near Elmwood. She was born in the Co. of Kent, England, 83 years ago, and about 1858 moved out to this country with her husband and family. Deceased was a niece of Mrs. George Jackson, and the family for some time resided with them, until the residence, which was burned last year, was built. Her husband died 20 years ago, and she is the last of her family in her own generation. Out of six children 3 boys and 3 girls, there remain, James, Wm. in Dakota, and Mrs. A. McKechnie. Deceased scarcely ever had sickness until the last 4 years, she left her daughter's in fair health three weeks ago for a summer's visit among friends.

MRS. E. ALDRED.

Too often this spring has this neighborhood to mourn the death of pioneers. Mrs. Aldred was born in Ireland over 74 years ago, and moving to this country in the 50's settled in Adjala, moved to Varney, and later settled on the Town-line of Bentinck, where she has lived for 42 years. She was married 54 years ago and her husband, two sons, William in the North West, John, on the homestead and six daughters, survive her.

CHRISTINA MCGILLIVRAY.

Miss C. McGillivray, daughter of Mr. Malcolm McGillivray, Glenelg, died in Toronto, on Sunday and her remains were sent to Flesherston Station on Tuesday. By an incomplete telegram the body was expected in Durham, and Mr. and Mrs. Jas. Webber and Glenelg relatives were in waiting here. The funeral took place Tuesday to Pricerville cemetery.

NORTH EAST NORMANBY.

Communion will be observed in the Presbyterian church next Sunday. Rev. Mr. Craigie, Hanover, will officiate on Friday.

Mr. and Mrs. J. P. Leith of Egremont, were visiting their son Dave, of Normanby. Also Miss Mary Scott of Bromore, and James Coleridge of Greenside.

One of these happy events which so seldom occur in our neighborhood, took place at the residence of Mr. Henry Petty last Wednesday when Miss Annie his second daughter was united in the holy bonds of matrimony to Mr. Albert Marshall. Mr. Kitching was the officiating clergyman and tied the knot securely. Miss Mary Marshall and Mr. George Petty assisted the bride and groom through the trying ordeal. The bride looked her prettiest, attired in blue and white, while her maid was charmingly dressed in grey and pink. After congratulations and best wishes, all retired to the dining-room where was spread a most sumptuous repast. The guests remained for the evening and enjoyed themselves in various amusements. The happy couple took
