Lower Town

DROMORE.

Intended for last week.

A very successful entertainment was given by the C. E. Society of Amos Church, last Thursday evening, the occasion being the 5th anniversary of the founding of the Society. Vice Pres. G. Lohian occupied the chair. Mr. Walter Hastie, President, gave a descriptive address of the difficulties overcome and the enthusiasm displayed during the first years of its existence. Music was provided by a quartette composed of Mrs. Geo. Cushman, who also presided at the Organ. Miss B. Wilson and Messrs Isaac and Ramage. Miss G. King, Mt Forest, ever popular in this locality, gave a solo, exhibiting good taste in expression and compass of voice. Rev. Mr. Matheson of Pricerville delivered an address on Missions depicting the scenes and experiences in the newer settlements in the newer settlements in the N. W. Territories, the difficulties to be overcome through the indifference and in some cases, opposition of the people; he was listened to with rapt attention throughout. A collection taken at the close is to be devoted to the purchase of books for the library. Rev. Mr. Campbell added a few well chosen remarks when the meeting closed with the benediction.

Miss Gertrude King an efficient teacher of instrumental music and voice culture has a goodly number of pupils in this locality.

What is Scott's Emulsion?

It is a strengthening food and tonic, remarkable in its flesh-forming properties. It contains Cod-Liver Oil emulsified or partially digested, combined with the well-known and highly prized Hypophosphites of Lime and Soda, so that their potency is materially increased.

What Will It Do?

It will arrest loss of flesh and restore to a normal condition the infant, the child and the adult. It will enrich the blood of the anemic; will stop the cough, heal the irritation of the throat and lungs, and cure incipient consumption. We make this statement because the experience of twenty-five years has proven it in tens of thousands of cases.

Be sure you get SCOTT'S Emulsion. 50c and \$1.00, all druggists. SCOTT & BOWNE, Chemists, Toronto.

HOPEVILLE.

Intended for last week.

Tox.

Intended for this week.

McLeach's meetings have been going on here this last week with good success.

Mr. Walter Carr, the Presbyterian student has returned home on a visit to his widowed mother and friends.

We hear considerable talk here about some parties going into a man's barn at night and taking out a wagon to go to Mt. Forest with a heavy load and leaving it back broken. One party kept watch of the house while the mischief was a doing. We also hear that this man has told the parties very plainly not to make such freedom again or else he would kick.

Considerable improvements are being made here and crops look well. Tox.

unexpected. The remains were interred in the Hampden Cemetery Monday at 2 o'clock.

The bridge across the beaver meadow on the 18th con. is being raised this week.

The anniversary of the Hampden Y. P. S. C. E. was held on Friday evening June 3rd. The evening was all that could be desired and a large attendance was the result. It is now seven years since the society was organized by Mr. W. C. Dods and it temporarily in charge, and it still continues to prosper. The service opened with the roll call, those absent sending responses to be read in answer to their names. After roll call a short program was taken up consisting of singing, a recitation by Mr. D. Gilmour, a short address by Mr. Wm. Morrison followed by the pastor, Rev. Craigie in a neat little address, this closed this part of the proceedings after which refreshments were served and a social time was indulged in.

Mr. W. J. Young is attending Assembly which is being held at Montreal, as delegate from the Presbyterian Church in Durham.

Messrs Jesse Edwards and Wm. Bratton spent a day fishing on the Rocky lately. We didn't learn what they had but we expect they came home with full baskets.

Who broke the 13 eggs? and what did the old woman say?

Who was the young man who was driving around our burg with four in the rig one evening last week?

Mr. Joe Ferris, of Swinton Park, passed through our village this week and called on Mr. J. G. Batchelor.

Quite a number of the people of this part attended the convention held on the 28th and 29th of May held by the Latter-day Saints. When they returned home all seemed to be satisfied having heard something worth while going 25 miles to hear.

Mrs. Alex. Crab's is very low at present.

Hope soon to see her around again.

Mrs. D. Campbell is under the care of Dr. Marton. Hope we shall soon hear of her speedy recovery.

insomnia, nervousness, and, if not relieved, bilious fever or blood poisoning. Hood's Pills stimulate the stomach, cleanse the liver, cure headache, dizziness, constipation, etc. 25 cents. Sold by all druggists. The only Pills to take with Hood's Sarsaparilla.

BALSAM HALL.

Miss Jessie Merchant who has for the past few months been in Hamilton, has returned home where she intends making an extended visit. Her many friends are glad to welcome her to their midst again.

Miss Ellen Reid, who for the past two years has been in Toronto arrived home last week. She looks as if city life has been favorable to her.

Mr. and Mrs. Weidman of Holstein were the guests of the latter's father Mr. H. Reid last Sunday.

Mr. Sam Cooper who has for some time been very ill with inflammation of the lungs and pleurisy, is now we are able to report recovering.

The rain of last Saturday proved a very beneficent boon. It has insured a good crop of hay, and was much needed by all crops. The rain has proven itself a very destructive element to the grasshoppers though it seems to favor their successors, the tree worm, which in some parts is devastating the forest trees of their foliage to a very great extent. —A number of boys around here received unmistakably an excellent duck's bath, Aleck in particular. Better try and get better shelter next time. Never mind —It is an ill wind that doesn't blow somebody good.

D. Drimmie spent last Sunday under the parental roof.

Wedding bells are ringing in several places on our line just now. Expect to see further developments in that line very soon. Some of these signs are the digging out of cellars, where otherwise such performances would be absolutely unnecessary, and the frequent trips back ten side-road are becoming wearisome. —As the President of the Epworth League in Yeovil was preparing to start home in his buggy with what was (to him) the dearest treasure on earth, he noticed the vehicle somewhat shaky, and on close examination he found that some parties had kindly exchanged the hinder wheel for that of the front. Of course this was only a joke but we think these parties might have had some consideration for B even though they wanted to play with Sam's good nature somewhat, and as he took a round about road that night with his dear one it was almost breakfast time when he got home. You should honor your President better than that boys.

Y. P. S. C. E. held its meeting in Balsam Hall Tuesday night.

We understand the hall has been put through the ordeal of house-cleaning a short time ago. This was indeed necessary. It was also supplied with new window blinds. We are pleased to think our friends in the community have some respect for the old hall, though it is now behind some of the more modern buildings for style and beauty, still it has been, and continues to be, used for the noblest of all causes, namely, the spread of the Gospel.

DORNOCH.

(An occasional correspondent from Dornoch sends the following budget, which, we regret must have got belated on its way. We insert it however, except a reference to wet weather, potato planting, &c, which are now outdated, Ed.)

Miss Franko and Maud Dargavel left last Monday for Toronto, we missed their pleasant faces. Mr. Klein also returned to Toronto after the wedding of Miss L. Dargavel. We are looking for another wedding before long. We hope so as we like to see these happy events take place.

Our two merchants are making things hustle, we would like to have a third one.

Miss Ounna is on the sick list again.

Mr. James Wagner and his loving wife paid a flying visit to Mr. Philip McIntosh's last Sunday.

A very pleasant event took place at Mrs. R. M. Dargavel's on the 24th of May in which their daughter Lizzie was united in holy wedlock to Mr. Alex. McIntosh, both of Dornoch. The bride was given away by her father, she wore a white serge trimmed with lace, ribbon, and white pearls with bridal veil. Orange blossoms in her hair and a lilac-of-the-valley on her breast and carried a bouquet of yellow roses. The bridesmaid, Miss Franko Dargavel of Toronto, was dressed in white lotted muslin over pink Satene, both looked charming. After the ceremony a sumptuous meal. Great credit is given to Mrs. R. M. Dargavel as it was all her own doing such a meal for so many guests, the wedding cake was 5 stories was beautifully decorated and a credit to the maker. The presents were numerous and easily showing how highly the bride was respected. Among the guests, from Durham, Mr. and Mrs. W. D. Mills, Mr. and Mrs. H. T. Storry, Mr. and Miss Crawford, the Misses Hunt from Vickers, Mr. and Miss Collinson from Aberdeen, Mr. and Mrs. T. Dargavel from Southampton, quite a number from Williamsford and Sullivan spent the evening in games and music till a late hour when all took their leave with best wishes for the young couple.
