

SCOTCH TOWN.

(Intended for last issue.)

Being that we are a fortnight or so behind the times we will only mention briefly a few of the latest happenings.

Dry weather last week, 108 in the sun on Saturday 72 in the shade. Lots of good hay this winter. A few tired men Sunday.

All are nearly through haying, some have commenced cutting their fall wheat. We are pleased to see Mrs. D. Graham able to be out again and sympathize with her and Mr. Graham in the loss of their infant son a few weeks ago.

Mr. and Mrs. Johnston and five children spent a few days at Messrs. John A. and Alex. McMillen last week.

Miss Tena McMillen from Park Hill is on a months vacation with her many friends in this vicinity. There will be several sad looking countenances as well as many sore throbbing hearts after her departure.

Miss Mary E. McDonald from Balsam Valley is in the employ of Miss F. McMillen for a lengthy term.

Mr. Norman Martin leaves this week for Dakota after spending a month at the old homestead. We are always pleased to meet Norman as he is a general favorite. It is three years since he darkened our doors. Don't be so long next time. Success sir.

Miss Mary Martin also leaves this week after an absence of a fortnight from the Queen City.

Mrs. Robert McGowan in company with her grandson Johnie Griffiths from Detroit are on few weeks visit to the former's sister Mrs. H. McMillen.

Mrs. D. McRae from Irish Lake called on old friends here on Saturday on her way to your town to meet Mr. McRae and welcome him home after an absence of several months.

The bridge contractor Mr. Alex. McMillen with his gang of eight robust stalwarts will finish this week if all goes well.

Mr. Jno Beaton has been beautifying his commodious residence by a coat of paint, one or two more coats and it will look all right.

We long for the return of our detective as his presence is missed in several quarters.

Miss Jessie Marchison has moved to Toronto.

HOLSTEIN.

(Intended for last week.)

Mr. and Mrs. Waters of Arthur, visited Rev. Mr. Magwood over Sabbath.

Miss Jennie Doupe was the guest of Miss Lizzie Laughton at Dromore for a few days last week.

Marshall Burrows and daughter May, of Riverview, visited his mother Mrs. Wm Burrows for a few days this week.

It is our sad duty this week to mention the death of the late Mrs. Thos. Brown. She will be missed very much as she was a warm friend and ready helper in all good things.

The bereaved family have the sympathy of all in this the hour of their sad bereavement. She leaves a husband, four sons, and three daughters to mourn her loss.

Dr. A. I. Brown is in Beechville this week visiting his mother. Dr. Forester of Palmerston, is taking care of his office while he is away.

Miss Mary Brown of Beechville, who has been visiting her brother Dr. A. I. Brown for the past few weeks returned home last week.

Rev. Mr. Campbell and wife left for a few weeks holidays visiting friends down east and other places.

A new shoemaker, Mr. Oliver has come to make his home in Dromore and has taken possession of the old photo gallery. He is willing to cater in his line to any who will employ him.

We must congratulate Mr. Cushnie on his entrance class, 4 out of five, is very low.

Around here is noted for its supply of Teachers and these are now holidaying at home and helping in the harvest.

A student of Knox is to preach in the Presbyterian Church next two Sundays.

The Church is being painted and papered by a gentleman from Mt. Forest, and in consequence there was no churching, and thereon lay the reason of so much visiting that Sunday.

Mr. Frank Coleridge came home last week from his school in Manitoba. Report says he will not go back alone.

Misses Mary and Margaret L. Coleridge of Walter's Falls visited their relatives in this part lately.

HOPEVILLE.

Mr. Pat Shaw's barn was burnt on Friday July 22nd with some hay and farm implements, it was an old log barn but it did the purpose well.

Died—On July 25th, Mr. Murty Egan, an old settler here. He was buried the 27th in the R. C. Churchyard, the Rev. Mc. Catay officiating. He leaves a widow and a large family to mourn his departure. The funeral was largely attended.

Mr. J. McArthur of Priceville, returned home from a few days visit here.

John McArthur is nursing a sore hand he got by having a wild horse latched to a horse-rake. Too many oats given to the horse we think is the cause.

Some parties went to Dundalk last week to witness a Lacross match played there. A few also attended the Irish Pie Nic on the 28th.

War News—for the last month the U. S. and Spanish war news have been eagerly sought after, but now we have a more exciting little war in our village. A Tennant and Landlord are waring in the courts over a petty little cause, the right to use some blacksmith tools. Pity this case could not be settled here and not go to Dundalk. Very few of our people have any money to waste, and all there is left is needed for more beneficial purposes. All here wish it was settled.

The People's Faith

Firmly Grounded Upon Real Merit—They Know Hood's Sarsaparilla Absolutely and Permanently Cures When All Others Fail.

Hood's Sarsaparilla is not merely a simple preparation of Sarsaparilla, Dock, Stillingia and a little Iodide of Potassium. Besides these excellent alternatives, it also contains those great anti-bilious and liver remedies, Mandrake and Dandelion. It also contains those great kidney remedies, Uva Ural, Juniper Berries, and Pipsissewa.

Nor are these all. Other very valuable curative agents are harmoniously combined in Hood's Sarsaparilla and it is carefully prepared under the personal supervision of a regularly educated pharmacist.

Knowing these facts, is the abiding faith the people have in Hood's Sarsaparilla a matter of surprise? You can see why Hood's Sarsaparilla cures, when other medicines totally, absolutely fail.

Hood's Pills are the best after-dinner pills, aid digestion. Sold by all druggists. \$1; six for \$5.

HUTON HILL.

On the Streets at Night.

An interesting investigation has been made recently in one of our cities as to the reasons why children of equally good capacity should rank so unevenly in their studies in the schools.

Pains were taken to learn from one class of fifty five pupils enough about their habits out of the school to enable judgment to be made. The investigation showed that thirteen boys were permitted to be on the streets at night as late as half past nine o'clock. Not one of them ranked as high as thirtieth in the class.

Another grade class of fifty-five was tried in the same manner. Eight boys were habitually on the street in the evenings. Not one of them ranked as fortieth in the class. Another fifty-five pupils investigated showed that six were allowed the freedom of the streets at night, and every one of them had spent two or three years passing the fourth and fifth grades. One boy of fifteen years of age had spent nine years in getting four and a half years' schooling. Investigation also showed that in these classes examined, eighty-five per cent of the girls remain at home and read books and about one-third only of the boys ever read at all.

The Dressed Young Man

who a few years ago boasted to his friends of the high prices he paid his tailor, has seen the error of his way and now delights in showing how well he can dress upon half the amount he used to spend. He is able to get

Shorey's Ready to Wear Clothing

in every Fabric, Style and Trimming that the, so called, swell tailor gave him, but costing very much less because tailored in advance of his order. In quality, make, finish and fashion just as good. In short, everything the same but the price.

In the pocket he finds Shorey's Guarantee Card which means that if the clothes are not satisfactory in every way he may have his money refunded.
