Elder-Dempster Co's Offer-How the Company Propose to Make the Venture Paying One.

A despatch from Montreal, says: The Elder-Dempster Steamship Company has submitted an offer to th Postmaster-General of Canada to carry the mails between Montreal and Bristol free of charge. It is claimed by the company that, with the splendid service they now have, they can carry mail from Montreal to Bristol quicker than it can be sent by Liverpool, the only present mail route. A large quantol, and a day saved in the delivery of mail would be of very great benefit both to exporters in Montreal and dozen of these floating palaces are for to consignees in Bristol. The trade beand the amount of mail matter has ra-
