PRICEVILLE.

Died at her son's residence, Mr. A. McCuaig, South Line, Glenelg, on Tuesday evening August 30th, after a brief illness Mary McCannel, relict of the late Findlay McCuaig at the age of 75 years. One by her the burden and hardships in beaving out a home for themselves and family, are gone to their last resting place. Mrs. McCuaig was amongst the first settlers on the South Line, Glenelg, coming there about 48 years ago with her husband. She was a woman who possessed a large amount of patience, a dutiful parent and a kind and faithful mother. She was a staunch member of the Presbyterian Church and while health and opportunity afforded her the privilege of attending divine worship her place in the sanctuary would always be occupied. In older times Mrs. McCuaig attended that branch of the Presbyterian Church of which the Rev. Chas. Cameron was pastor. She always lived at the old homestead, (where she died) with her son Archie who has become conspicuously known as one of the most prosperous farmers of South Grey. The large funeral on Thursday the 31st ult indicated the respect which the departed lady was held by the community at large. She was buried beside her husband (who preceded her about 12 years) in Simelie's Cemetery Durham Road, Glenelg. Rev. G. Morrison of Coleridge, and Campbell of Dromore, officiated at the funeral in the absence of the pastor Rev. Matheson who is taking his vacation at present. Thus ended the earthly pilgrimage of a Christian mother who was ripe to enter to partake of the joys unpeakable prepared for those who followed the footsteps of the divine Master while on earth.

We received a long letter from Mr. Angus McDonald of Alaska. He always gets the Review regular and it is a well-come visitor to this receiver. He gets as long-winded in the gold digging away down deep into the earth. He says there is no life to be compared with the good old farm life, yet Angus gets \$800 a year and board. We will try and get a sketch of Klondike life from Arch'd McDonald for a future budget to the Review.

Everybody seems to be busy threshing and one thing and another, our town is looking up and whose business is it if we would have Graulithic sidewalks before this century is out. Flour is getting cheaper, abundance of it to be had.

Mr. and Mrs. Arch'd McCannel of Arrau attended Mrs. McCuaig's funeral. Also Mr. and Mrs. John McLeod and Mr. and Mrs. Francis McLeod and Mrs. McQueen, all from Stayner, attended the funeral.

IT IS JUST AS IMPORTANT.

That you enrich and purify your blood in the Fall as in the Spring. At this time, owing to decaying vegetation, a low water level, and other causes, there are disease germs all about us, and a weak and debilitated system quickly yields to attacks of malaria, fevers, etc. By purifying and enriching your blood with Hood's Sarsaparilla you may build up your system to resist these dangers as well as coughs, colds, pneumonia and the grip which come with colder weather. To be on the safe side, take Hood's Sarsaparilla now, and always be sure it is Hood's and not something else represented to be "just as good".
