# YOU

and

## THE WOMEN'S AUXILIARY

of

### Waterloo College & Seminary

## The Auxiliary Gives You . . .

1. A tangible opportunity for additional Christian stewardship.
2. A fellowship with like-minded Christian women.
3. A share in the educational program of our youth, our church, the nation, the world.
4. A privilege, as women in local congregations, to act as mothers-away-from home to the students, by performing a Martha Service in Kingdom Building.

The Auxiliary has become a useful agency for service in the cause of Christian Higher Education.

## You Give the Auxiliary . . .

1. A little of yourself, through your active interest in the work of the Women's Auxiliary of Waterloo College and Seminary.
2. A little of your time. You will be invited to attend one or two meetings a year, perhaps share in a few activities in addition.
3. A little of your money. One dollar a year makes you a member. Any other gifts you may make will be entirely voluntary.

These gifts of self, time and money will be multiplied and blest. They will help in the strengthening of Christ's Kingdom through the education of His young people.

---

*"Great schools assist in making a great church, through strengthening the leadership and membership, through enlarging their vision, and through deepening their spiritual life. As our church in Canada continues to grow, the need for graduates from our College and Seminary continues to increase."*

## Your Auxiliary . . .

The Auxiliary was organized in 1913 and its membership extends from Sault Ste. Marie to the Atlantic Coast. Representatives from the congregational auxiliaries attend the annual meeting of the Central Auxiliary in the month of June.

Any woman paying one dollar (\$1.00) or more annually to the Auxiliary, is considered a member. Men may become honorary members on the same terms.

The Auxiliary has provided furnishings for dormitory rooms in Willison Hall, class rooms and offices, gymnasium equipment, grants to the science departments, substantial gifts toward the library, dining hall equipment, together with \$10,000 for maintenance.

We supplied all the furnishings for Conrad Hall and we are sure you will agree that it radiates comfort and beauty. To our co-eds it is a lovely "home" upon the campus.

The grand total of contributions of the Auxiliary during these 46 years, is approximately \$125,000. We need your co-operation and zeal to meet the urgent needs of today and the challenge of the future.
