IS HE SERVING YOUR PARISH?

Pastor John Doe is sitting in his study working on the sermon for next Sunday. On his desk before him is "The Theology of Martin Luther", one of the books he was able to buy with the \$25 Gift Certificate given him by the Women's Auxiliary of Waterloo Lutheran University on his graduation from the Seminary. He spends many hours in sermon preparation, and books such as this one are necessary tools.

IS HE TEACHING YOUR CHILD?

Teacher John Doe is setting up a science experiment for his Grade 11 Physics class. There is a pleasant relationship between the teacher and the three boys who are helping him. While studying at Waterloo Lutheran University, John Doe was the recipient of a \$300 Bursary. He was an excellent student and the bursary enabled him to continue his education.

IS YOUR DAUGHTER IN RESIDENCE?

Jana Doe has just returned to her room in the girls'dormitory after spending a relaxing half hour in the downstairs lounge with her friends. The lounge is a pleasant sunny room with comfortable furniture. Supplying such furnishings was one of the many projects of the Women's Auxiliary of WLU. The colourful quilt on her bed gives her room a homey atmosphere. It was donated by an auxiliary group in Nova Scotia.

Your support is needed to fulfil our commitments. How many new projects will we be able to undertake?

Christian Higher Education

An Outreach of Synod:

Waterloo Lutheran University, the only Lutheran University in Canada, is one of 21 universities and colleges of the Lutheran Church in America.

Waterloo Lutheran University is a fully accredited university offering graduate and undergraduate programs to all who qualify academically. It is the working arm of the congregation and is sponsored and supported by the Eastern Canada Synod of the L.C.A. Through Waterloo Lutheran University, the Lutheran witness reaches students of all faiths who come from across Canada and from many foreign countries to study and learn together in a Christian setting.

Waterloo Lutheran Seminary, WLU's faculty of theology, trains young Lutherans for service in pulpits throughout the world. (The presidents of the Lutheran Churches in both Liberia and Guiana are graduates of Waterloo Lutheran Seminary.)

The university's recently established International Business Program annually brings young business leaders from more than twenty of the world's developing nations to Waterloo for seven months of study in this unique atmosphere. Just another example of the church's outreach through Waterloo Lutheran University.

WLU is grateful for the encouragement and support that comes from our pastors and people. Without the generosity of your prayers and benevolence offerings, the university could not carry out its role in the outreach of the church.
