WLU Choir to Sing at Fairview Park  
In 11th Annual Program for Public

The Wilfrid Laurier University Choir will present a half-hour program of Christmas music Tuesday in Fairview Park Shopping Centre beginning at 5:15 p.m.

The choir, under the direction of Dr. Walter H. Kemp of the WLU music faculty, has a tradition of presenting free yuletide concerts for the public. In the past they performed first on the steps of the old city hall, now demolished, and then beneath the pod of the Kitchener council chambers on Frederick Street.

The change to Fairview Park was made to bring the choir to a place where more of the public could enjoy the presentation. The concert will be held in Showplace, near the entrance to the Robert Simpson department store.
