WLU's Simcoe Campus held its 12th
annual buffet luncheon on July 13

Wilfrid Laurier University's Simcoe Campus held its 12th annual luncheon at Twin Lakes Secondary School in Orillia on July 13.

The buffet luncheon provided an opportunity for faculty, students and local dignitaries to share an hour of social conversation.

Dr. Frank C. Peters, president of WLU, was in attendance and spoke informally to the gathering.

This summer about 470 students are attending classes at the Simcoe Campus, which has centres in Orillia, Barrie and Penetanguishene. Over forty courses, such as astronomy, anthropology, English, and sociology are being offered.
