### PROCESSIONAL HYMN 143

- |  |  |
|--|--|
| Come, Holy Ghost, in love<br>Shed on us from above<br>Thine own bright ray!<br>Divinely good Thou art;<br>Thy sacred gifts impart<br>To gladden each sad heart;<br>O come to-day!                                      | 3 Come, Light serene, and still<br>Our inmost bosoms fill;<br>Dwell in each breast;<br>We know no dawn but Thine;<br>Send forth Thy beams divine,<br>On our dark souls to shine,<br>And make us blest! |
| 2 Come, tend'rest Friend and best,<br>Our most delightful Guest,<br>With soothing power;<br>Rest, which the weary know,<br>Shade, 'mid the noontide glow,<br>Peace, when deep griefs o'erflow—<br>Cheer us, this hour! | 4 Exalt our low desires;<br>Extinguish passion's fires;<br>Heal every wound;<br>Our stubborn spirits bend;<br>Our icy coldness end;<br>Our devious steps attend,<br>While heavenward bound.            |

- 5 Come, all the faithful bless;  
Let all, who Christ confess,  
His praise employ;  
Give virtue's rich reward;  
Victorious death accord.  
And with our glorious Lord,  
Eternal joy!

| O Saviour, precious Saviour,<br>Whom, yet unseen, we love;<br>O Name of might and favor,<br>All other names above;<br>We worship Thee, we bless Thee,<br>To Thee alone we sing;<br>We praise Thee and confess Thee,<br>Our Holy Lord and King.     | 3 In Thee all fulness dwelleth,<br>All grace and power divine;<br>The glory that excelleth,<br>O Son of God, is Thine.<br>We worship Thee, we bless Thee,<br>To Thee alone we sing;<br>We praise Thee and confess Thee,<br>Our Glorious Lord and King. |
| 2 O Bringer of salvation,<br>Who wondrously hast wrought,<br>Thyself the revelation<br>Of Love beyond our thought;<br>We worship Thee, we bless Thee,<br>To Thee alone we sing;<br>We praise Thee and confess Thee,<br>Our Gracious Lord and King. | 4 O grant the consummation<br>Of this our song above,<br>In endless adoration<br>And everlasting love;<br>Then shall we praise and bless<br>Thee<br>Where perfect praises ring,<br>And evermore confess Thee,<br>Our Saviour and our King.             |
