### Sample a taste of the past at Laurier

Taste tabbouleh or feast your eyes on falafels during a seven-day festival at Wilfrid Laurier University.

On January 17, dishes similar to those made years ago will be served as part of an archeology and ancient civilizations festival.

The food fair will be held at noon in the Concourse of the Central Teaching Building.

For more information, call 884-1970 ext. 4882.
