### "Ra" excerpts, talk by composer featured at Laurier festival

Journey to the Underworld with the Egyptian sun god when Wilfrid Laurier University presents musical excerpts from "Ra" on January 21.

Hear the haunting echoes of traditional Egyptian music from this dusk-to-dawn ritual. Composer R. Murray Schafer will also present a lecture and slide show on this extravaganza, first experienced at the Ontario Science Centre in 1983.

Part of Laurier's seven-day archeology and ancient civilizations festival, the epic begins at 8 p.m. in the John Aird Centre recital hall.
