Laurier ends year with \$29,204 net decrease in operating fund balance

Wilfrid Laurier University has reported a net decrease of \$29,204 in its general operating fund balance for the fiscal year ended April 30, 1991. This represents about 0.05 per cent of the general operating fund's expenditures of \$53,263,890.

The excess of expenditures over revenues was \$95,370, which represents 0.18 per cent of total expenditures.

The information is contained in the Audited Financial Statements (prepared by Coopers & Lybrand, Chartered Accountants) presented to the university's board of governors at its regular meeting on Sept. 17.
