Berczi reappointed to second term as vice-president

Waterloo (April 14) — Andrew Berczi, vice-president: planning, finance, and information services at Wilfrid Laurier University, has been reappointed to a second, five-year term.

The appointment, effective July 1, was confirmed at a regular meeting of the university's board of governors on Tuesday, April 14.

Before being appointed to his current position in 1987, Berczi was dean of graduate studies and director of research and instructional development from 1979 to 1987.

Prior to joining Laurier in 1978, Berczi was dean of the faculty of commerce and administration at Concordia University in Montreal.

He holds four degrees, including a master of business administration degree and a doctorate in management science and econometrics, both from McGill University.
