### **Mississauga residents win scholarships at WLU**

*Waterloo, Ont. (Jan. 24)* — Two Mississauga men have distinguished themselves by winning scholarships at Wilfrid Laurier University in Waterloo.

Greg Mortimer of Truscott Drive, who is a student in Laurier's part-time MBA program, and James Fong, who is a student in Laurier's full-time MBA program, will be among 50 students honored at an awards reception at 4 p.m. on Thursday, Jan. 26.

Mortimer will be presented with the Roger Larsen Memorial Award. The \$1,000 award is made to a part-time student who has completed a minimum of six courses, including the required core courses, with a consistently high grade point average.

Mortimer, who is vice-president and consultant with EMM Systems Solutions Corp. of Mississauga, received an undergraduate degree in computing science from the University of Waterloo in 1985.

Fong will be presented with the Ross V. Dixon Scholarship. Valued at \$1,000, it recognizes a student who has demonstrated high scholastic ability in undergraduate studies, has a high Graduate Management Admission Test (GMAT) score, and excellent evaluations on work term reports and experience.

Fong, who was most recently a software systems consultant with J. L. T. System Solutions of Mississauga, received an undergraduate degree in business administration and computer science from the University of Waterloo in 1994.
