CLOSING REMARKS

Dr. Michael Lee-Chin

Chancellor

“As for **you** who stand **today** on the threshold of life,
with a long **horizon** open before you for a long career
of usefulness to your native land...I shall remind you that already
many problems **rise** before you: problems of race division,
of creed differences, of economic conflict, of national duty and
national aspiration. Let your **aim** and **purpose**,
in good report or ill, in victory or defeat, be so to live, so to
strive, so to serve as to do **your part** to raise
even higher the standard of life and of living...”
