TRIBUTE TO SENIORS

This has been a good year athletically for the Golden Hawks in all sports. Waterloo Lutheran is establishing a tradition of finishing at or near the top in all of its athletic pursuits. Good seasons in both hockey and football, as well as a third consecutive O.I.A.A. basketball championship are a credit to the athletic program at WLU.

No small measure of the credit is due to the talent and leadership ability of several seniors who will graduate this year.

Those who merit mention in this programme are Bill Doyle and Don Collins of the basketball squad and Larry Stone and Dave Russell of the hockey team.

Hard-working Bill Doyle has likely not been matched against a centre shorter than he is all season, but has rebounded well because of his keen desire that has rubbed off on the whole squad.

Don Collins has supplied that excellent floor leadership that makes a good basketball team great. His poise and clutch shooting has been invaluable to coach Knight.

All hockey teams need a team policeman, and Dave Russell has done that job well. Dave seems to thrive on hockey when the going gets rough, and is a solid defenceman.

Waterloo Lutheran's last hope has often been netminder Larry Stone who has performed admirably between the pipes for coach Ted Maki. Larry has often held the Hawks together when the going gets rough.

To these graduating seniors and to all senior Hawks, best of luck in future competition, and thanks for your contribution to athletics at Waterloo Lutheran.
