Waterloo Lutheran Athletic Tradition

Post war highlights . . .

In 1945, W.U.C. basketball team won the Industrial YMCA League Championship . . . In 1946, the rugby team posted an undefeated record . . . In 1947, the rugby team defeated University of Western Ontario, 13-5, and the hockey team repeated this feat with a 5-3 victory.

These victories were the first to serve notice that the small one-building college (Willison Hall) could generate the desire to defeat opponents from much larger universities.

In 1950, the basketball team repeated as the Industrial YMCA League Champ . . . 1952 was the first year of football for W.U.C. Under the guidance of Carl Totzke, they posted an undefeated 2-0 record over Huron College . . . In 1953, the football team defeated Guelph Agricultural College to begin Lutheran's longest inter-collegiate athletic rivalry, of 18 years. This year's Guelph game marks the end of this series as Guelph moves to the OQAA. The hockey series with Ryerson will become the longest rivalry . . . In 1954, the basketball team lost the OBA Intermediate Championship to Guelph in the finals of the play-off. In 1958, the basketball team was proclaimed the college co-champions with Osgoode Hall . . . In 1961, the name of the athletic teams was changed from the "Mules" to the "Hawks" . . . In 1962, the football team posted a 5-0-1 undefeated championship, and the basketball team was proclaimed Junior College Champions . . . In 1963, the football squad recorded another undefeated championship. The basketball team posted a 17-7 record and lost the OBA championship to Laurentian in a play-off.

In 1964, the basketball team posted an undefeated OBA League Championship . . . In 1965, the basketball team recorded their second undefeated championship . . . In 1966, the basketball team gained their third consecutive undefeated championship . . . In 1967, the football team had an undefeated 8-0 league record but lost the National Championship to St. Xavier in the first College Bowl Game. The basketball team won the league championship with a 12-1 record, but lost in the semi-finals of the first National Championship . . . In 1968, the basketball team posted an undefeated league championship and won the Canadian Inter-Collegiate Athletic Union National Championship . . . In 1969, the football team won the league championship with a 7-1 record and defeated St. Mary's in the Atlantic Bowl, but were defeated in the College Bowl by Queen's University. The basketball team won their sixth consecutive OIAA Championship but lost to Windsor in the finals of the National Championship.

Note worthy alumni of the athletic community, who have pursued their academic careers are: Glenn Carroll, former director of the school of Business and Economics, who starred on the 1953 football "Mules"; Dr. Welf Heick, chairman of the History Department, co-captain of the 1953 basketball squad; John Lewis, Geography Department lecturer, played on the 1962 and 1963 basketball squads; and Carl Totzke, Director of Athletics, University of Waterloo, starred on the 1945 and 1946 rugby and basketball teams.

Athletic alumnus who have excelled in professional sports are: Ed Turek of the Hamilton Tiger Cats, Paul Markle and Dave Knechtel of the Toronto Argonauts, Doug Strong of the Winnipeg Blue Bombers and John Kruspe of the Ottawa Roughriders.

The athletic community is anxiously awaiting the construction of the proposed athletic complex that will benefit the entire student body by offering facilities to insure their physical fitness and health. It should serve to make the athletic teams more competitive in the future.

The present athletic contingent, after the dismal team records of the 1970 season, vows to return to the championship form of past tradition. The composite record of the football teams since the 1962 season reveal a highly successful 48 wins, 14 defeats and 2 ties. The basketball team's composite record of league play since 1963 shows a fantastic 85 wins and 9 losses. The hockey team, before the 1970 season, had finished second in the league four consecutive times. These tremendous records are an extension of the pride and determination of these teams and the loyalty and enthusiasm of their fans.

A special thank you to Reverend Schultz for assistance.

From The Bench

The Hawks extend a warm welcome to all alumni present here for the annual Homecoming football game. Today the Hawks will meet the Carleton University Ravens in what appears to be their last league appearance this year.

Until last week's unfortunate loss to the University of Guelph Gryphons by a score of 22-0, the Hawks were in fine shape for a championship finish. Their present record of 3-1-1 leaves much doubt as to whether they will finish on top of their division this year.

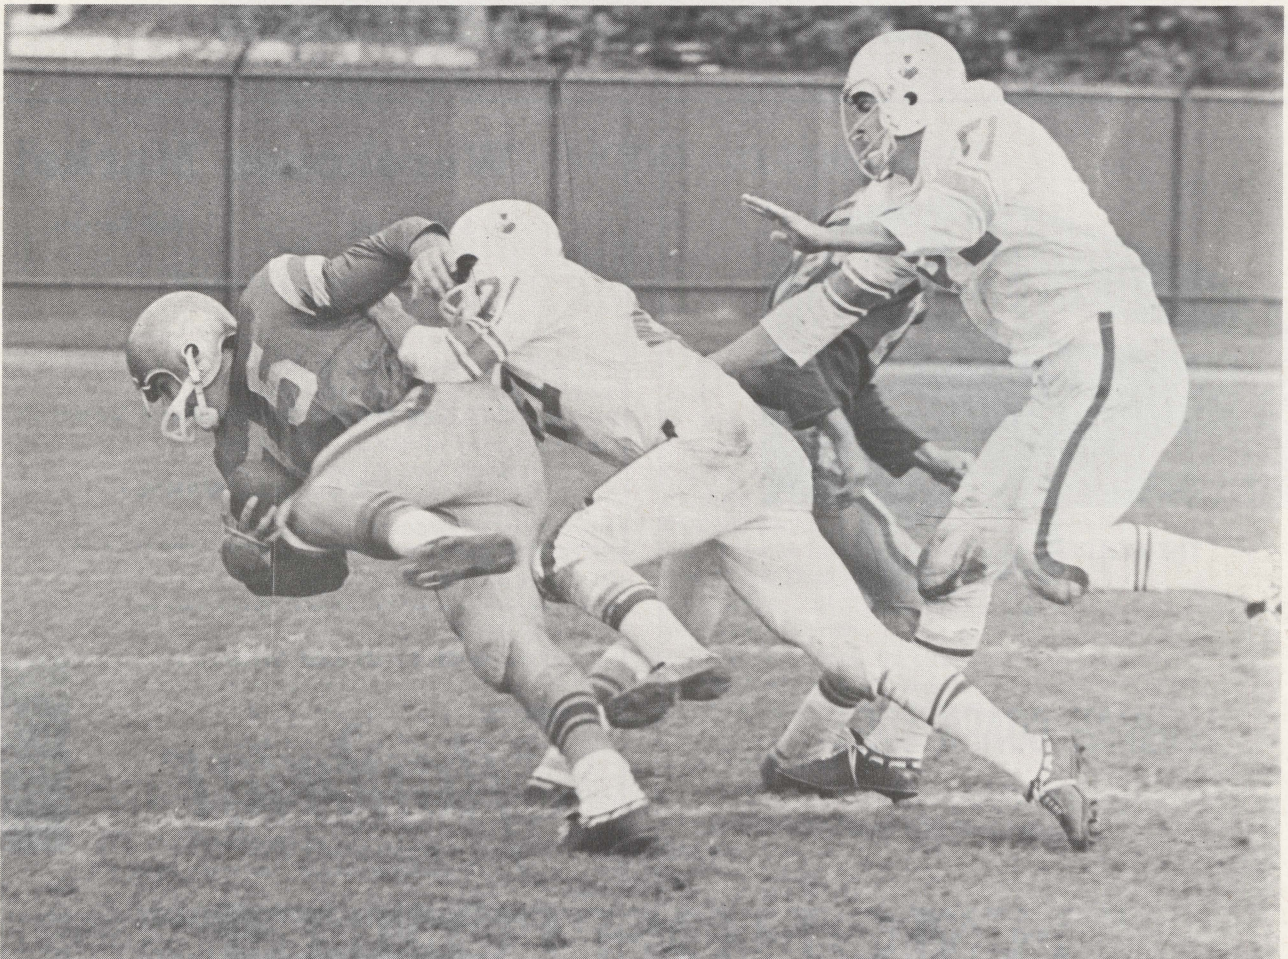

At present the Ravens are still contending for the championship with a 3-0-1 record, and will be out to increase their chances for league supremacy.

Last year's game with the Ravens resulted in a 14-14

tie, and handicapped the Hawks in their bid for the championship in '69.

Two weeks ago, the Ravens defeated the Guelph Gryphons in a much contested football match. In that case, as well as in our encounter with Guelph, the officiating came under fire from all sides. It is unfortunate that the inevitable red flag plays such a strong role in deciding a champion, and a referee's discretion can mean the difference between winning and losing.

The Hawks, frustrated after last week's upset, will no doubt be out to prove their metal today. A Homecoming victory is always well-accepted here at Lutheran and tends to make the weekend a little more joyous for all concerned.
