You are invited

Made possible through the generous support of SC Johnson (in celebration of the company's 90th anniversary) and leadership gifts from community supporters, this new building will provide an important connection between academia, business and the community within Brantford's revitalized downtown core.

The SC JOHNSON BUILDING will house important growth programs at Laurier Brantford, including a proposed business school. The building will also be home to Laurier Brantford's innovative leadership program and its integrated learning centre, which brings together community-service learning, cooperative education and other forms of work-integrated learning.

DR. MAX BLOUW, President & Vice-Chancellor, Wilfrid Laurier University
and DR. LESLEY COOPER, Acting Principal/Vice-President, Laurier Brantford
