

St. Lawrence Parish

Evangelical Lutheran Church

The Rev. C. H. Little, D.D., Pastor

Morrisburg, Ont.

have written you last night but Mr. Stottle
came yesterday and I had a wedding also here
in the parsonage last night. This prevented
me from writing for the time being but it
brought in a fee of \$5⁰⁰ for Bonnie. She bought
a turkey yesterday for Christmas dinner and
she and Mamma baked the fruit cake some
time ago. I got a card from Clarence announcing
the shipment of a box of cigars to me at Wash-
ington, N. Y., and I think I will go over there
to-day for them. I have already received a small
box from my father-in-law. Cordeus is in
both the Christmas services - the one here and the
one in St. John's. He went down with me right
before last to practice. I think he will do all
right this time. He brought his "fancy boots"
home Tuesday. He certainly does neat work in
making "mats" etc. It is a sort of finger-garden
work in which the children take great interest.
Mr. Stottle is going to make my Christmas
addresses for me and will also probably preach
for me Sunday night. This will relieve me some-
what. Pastor Mowbray was around the other day
and wanted to know if I had heard from Herbert
yet. Tell him to make up his mind as soon
as possible, and we hope it will be favorable
