SPECIAL OFFERING

Dr. Glebe explained that the special offering today will be used in the cost of replacing banners used in the Seminary Chapel. The present banners have become worn, tattered and faded. Also the wooden stands used to hold the banners need to be repaired or rebuilt.

The President Mrs. Heer conveyed a special vote of thanks to Mr. Gordon Kipfer for looking after the sound system, and to Mrs. Joyce Knarr, Organist for our hymns today.

Pastor A. L. Conrad offered grace before our noon luncheon.

AFTERNOON SESSION

Dr. Glebe introduced second year Seminary student Rebecca Lau Mak from Hong Kong. Rebecca told us she had spent 3 months in Clinical Training at Sunnybrook Medical Centre in Toronto, where she was on duty many hours at a time in the wards for heart disease and coronary care patients. She summarized her experience by telling us she had learned how to do the following:

1. Put into practice communicating with patients to help them re-establish their relationship with God.
