*"As for you who stand today on the
threshold of life, with a long horizon open before
you for a long career of usefulness to your native land...
I shall remind you that already many problems rise before you:
problems of race division, of creed differences, of economic conflict,
of national duty and national aspiration. Let your aim and
purpose, in good report or ill, in victory or defeat, be so to live,
so to strive, so to serve as to do your part to raise even
higher the standard of life and of living...*

— Sir Wilfrid Laurier
