Parents' Orientation Day

"Something for Everyone"

If your son or daughter is just beginning at Waterloo Lutheran University it is natural that you want to know as much about the University as possible. Parents' Orientation Day gives you the opportunity to visit the University and obtain an insight to the workings of WLU as well as seeing the campus.

To the parents of returning students and graduates and to old friends of the University, Parents' Orientation Day offers the chance to renew old friendships, make new ones and keep in touch with the life of the University.

Of special interest will be the Parents' Assembly at which Dr. Frank C. Peters, the president, and other university officials will conduct an informal discussion. The principle speaker at the Assembly will be Dr. Donald Morgensen, of the WLU psychology department. Following this your questions will be invited and answered as clearly and fully as possible.

After this, parents will have a choice of programs, as the football game between WLU and McMaster University begins at 2:30 p.m. For those who prefer to stay in the university there will be a series of campus tours. There will also be a musical recital, featuring our affiliate artist, Miss Carrol Anne Curry and a reception hosted by members of the Women's Auxiliary.

The day will end after a buffet-supper with a "coffee-house" in the Theatre-Auditorium sponsored by the Students' Council with the participation of the Alumni Association.

Parents have always agreed that it is

A DAY TO REMEMBER.
