Dear Deewo Weidner: -

Many thanks for your expression of interest and kind letter of inquiry. The work in my parish is progressing slowly, but, I trust, surely. I am very busy just now with my catechetical instruction and church building. I expect to have my little church at Newburn finished and ready for consecration around the holidays. The one here at New Germany I hope to push through during the winter and coming spring. We have had an unusually fine fall and the weather is still mild and pleasant. I have thought a good deal of taking up work in your correspondence school and would like
