Dear Friend:-

We would be very glad indeed to have the article on the "Early History of the Lutheran Church in Canada," concerning which you ask. That fits in well with our original schedule. I know that you can and will give us an able and satisfactory article. Undoubtedly it would require considerable time, but we will be glad to receive it as early as you are able to prepare it.

Very sincerely,

AMERICAN LUTHERAN SURVEY,

W. H. Greever Editor.
