

OFFICE OF
THE MINISTER OF RAILWAYS AND CANALS
OTTAWA, CANADA

May 17, 1929.

Dear Sir:

On behalf of the Minister, I have the honour to acknowledge a copy of your communication to the Prime Minister voicing objection on the part of the Evangelical Lutheran Synod of Canada to the establishment of any work on the St. Lawrence River which would result in the obliteration of the church and cemetery belonging to the historic St. John's congregation on Crysler Island.

A note will be made of the protest of your organization for consideration should it later on be decided to proceed with the proposed deepwater development of the St. Lawrence.

Yours faithfully,

A handwritten signature in cursive script, appearing to read "L. Craig".

Minister's Secretary.
