Resolutions &c —
26th Febry. 1827

No 1

Williamsburg) 26th Feb. 1827.

The Wardens of the Evangelical Lutheran Church at Williamsburg, having met, pursuant to appointment, for the purpose of considering the interests and welfare of their Church, came to the following Resolutions;

Resolved I that they both in behalf of their successors and in the Name of the Evangelical Lutheran Church at Williamsburg, Eastern District Province of Upper Canada humbly petition the Lord Bishop of Quebec to settle the Controversy, which is agitated between them & the Reverend John Gunter Weazant, Missionary of the Church of England at Williamsburg.

Resolved II. That they respectfully submit to the Lord Bishop of Quebec a true statement of the grievances, they have suffered and still continue to suffer from the said Rev. John G. Weazant.

Resolved III. That if the Lord Bishop of Quebec deem this subject worthy his attention, they are anxious that His Lordship may personally examine this pending controversy.

Resolved IV. That their present Evangelical Lutheran Minister the Reverend Hermanus Layunga prepare in conformity with the preceding resolutions, a Petition and a Memorial — addressed to His Lordship the Bishop of Quebec, & that the same be sent as soon as possible.

Memorandum. The Meeting was called by the Rev. H. Hayunga.
All the Wardens assembled about 6 o'clock P.M. at the
House of Conrad Frymire, one of the Wardens;
The Rev. H. Hayunga took the Chair - & officiated
at the same time as Secretary.

He opened the Meeting by calling the attention of
the Wardens to the afflictive dispensation of Providence
which had befallen yesterday their Church.

He estimated the damage occasioned by fire to
be great & that perhaps One Hundred Dollars
would not repair the Building for fitness of use.

He pressed it upon the attention of the Wardens that
as they did not know to whom the Church &c now
belonged, it would be better to petition the Bishop
of Quebec to settle the existing Controversy between
the Lutheran & Church of England Congregation at
this place; & that after having obtained due informa-
tion relative to this point - they should repair the
Church, by incurring necessary expences.

Mr Peter Witteker proposed to repair the church as
well as they could by not incurring any expences whatever,
so as to be able to hold publick worship in it, till such
information be obtained.

This may Certify that this was the object & intent of the above
mentioned meeting of the Wardens aforesaid & that the within
mentioned four Resolutions were unanimously passed.

In Witness whereof I have signed this Certificate. German Hayunga
