Dear Leaguers:

The enclosed programme is new for the Luther League of Canada. Some Districts have carried out a similar programme while others have not.

I trust you will not read the Seventeen Points and then lay them away till the next convention. This is an ideal and although you may not be able to complete all points, you can strive to complete as many as possible. In doing so, your League along with all Leagues will be united into programme working toward one goal.

Yours faithfully,
Garfield Raymond.

The committee below will be ready to explain any points you do not understand. This committee will also act as judges in making any award.
