CANADA

Leader of the Opposition

Ottawa,  
September 13, 1930

C. Mortimer Bezeau, Esq.,  
12 Ellen Street East,  
Kitchener, Ontario.

My Dear Mr. Bezeau:

I thank you sincerely for the more than kind references to my attitude during the present session to the proposals of the Government which are contained in your letter of September 11th, just received. I need hardly assure you that every argument which may be rightfully advanced in support of the principles for which the Liberal Party stands will be made known to Parliament and that every effort to safeguard the interests of the people of this country will be made.

In compliance with your request, I send you herewith a copy of Hansard of September 9th, containing the speech delivered by me on the Address.

*Kindest remembrance to you all*  
Yours sincerely,

*M. Macdonald King*
