C. Mortimer Bezeau, Esq.,
12 Ellen Street East,
Kitchener, Ontario.

Dear Mr. Bezeau:

With reference to your letter to the Prime Minister of September 17th, which Mr. King acknowledged on September 18th, a report has now been received from the Department of National Defence in which it is explained that the decision on the question of the release of any officer or soldier from his duty overseas rests with the responsible officers overseas. The report also explains that it has been necessary in several instances to detail men for instructional duty with the Khaki College of Canada and with the various Divisional Educational establishments.

The Department is, however, having inquiries made as to the possibility of the early release of your son. As soon as any information is available, I shall be pleased to pass it on to you.

Yours sincerely,
