WLU TO LAUNCH PARENTS' ASSOCIATION

AT SPECIAL ORIENTATION DAY

A Parents' Association for Waterloo Lutheran University will be launched on Saturday, September 21, at a special Parents' Orientation Day at the university campus.

The Association will be a means of communication between parents, students and the university. It will also work in co-operation with university officials to select university projects and conduct fund appeals.

The Orientation Program is the first of its kind to be organized by the university.

Parents will meet faculty members at lunch, and will later hear short talks on university life by WLU president Dr. William J. Villaume, Dean of the Arts Faculty Dr. L.H. Schaus, Dean of Students Dr. F.J. Speckeen, and Parents' Association President Mr. Reginald Lillyman.

After the dedication of the new wing of the Arts Building parents will be taken on campus tours by student guides.
