RIVALRY RUNS HIGH AS

GOLDEN HAWKS HOST WARRIORS

A stadium filled to capacity, a rag-time band being drowned out by the fans, as one half cheers "Go Hawks Go" and the other half chanting "Fight warriors Fight". This could well be the scene Saturday afternoon at Seagram Stadium as the Waterloo Lutheran University GOLDEN HAWKS play host to the University of Waterloo WARRIORS in an Ontario Intercollegiate Football Conference league game.

Game time is at 2:00 p.m.

The rivalry has always been extremely keen in the annual "Battle of Waterloo". Saturday is also the homecoming game for the University of Waterloo.

In the first three encounters of the two teams the margin of victory has only been one point with the WLU GOLDEN HAWKS winning two and the University of Waterloo WARRIORS winning one. The game last year saw a turn of events as the GOLDEN HAWKS defeated the WARRIORS 29-8.

To date in the O.I.F.C. schedule the WLU GOLDEN HAWKS have a 4-0 won-lost record while the WARRIORS have won two of their three encounters.

Last Saturday in Montreal the WLU GOLDEN HAWKS defeated the Loyola WARRIORS 46-1. The GOLDEN HAWKS travel to Hamilton next Sat., Oct. 29 to play the McMaster MARAUDERS. The Hamilton club, like the WLU squad, are as yet undefeated in league play this season.

This Saturday's game will see the gridiron as a maze of Purple and Gold, Black and Yellow as each defensive team tries to contain the other team's offensive unit.

Saturday's game will undoubtedly be billed as the "game of the season."

NOTE TO EDITORS:

In shortened references to our teams we would appreciate the term WLU or WATERLOO LUTHERAN and not just Lutheran.
