A large number of Waterloo Lutheran students are expected to travel to McMaster on Sat. by chartered bus to see the game, which begins at 2:00 p.m. and is part of the annual homecoming festivities of McMaster University.

The GOLDEN HAWKS will entertain at their own homecoming next Sat., Nov. 5 when they host the Royal Military College REDMEN, in the final league game of the 1966 O.I.F.C. season.

An added highlight to the game last Saturday against the University of Waterloo was the presence of Rick Bryant in the stands. Rick was the WLU football player injured in an exhibition game in Edmonton on Sept. 16 who recently returned from hospital in Edmonton and is making an excellent recovery.
