HOPE TO FIND WINNING WAYS

Waterloo Lutheran University basketball and hockey teams will attempt to get back on the winning ways this weekend. During the Waterloo Lutheran University Winter Carnival weekend both the basketball and hockey teams suffered setbacks.

After defeating the McMaster University Marauders 79-57 in Hamilton at the start of the Carnival '67 weekend, the Golden Hawks were upended by the University of Western Ontario Mustangs 79-69 in a non-conference game played last Saturday.

The hockey Hawks, playing in a Ontario Intercollegiate Athletic Association league game, were defeated by the league-leading Laurentian University Voyageurs of Sudbury 11-5.

The Voyageurs remained in first place with the Hawks holding down second on a 5-2 won-lost record.

The hockey Golden Hawks will attempt to better their record when they travel to Hamilton Institute of Technology on Saturday, February 4th for a league game. The Hawks previously defeated the H.I.T. Hawks 15-3.
