Dr. Neeuri Isaac, an historian and archeologist from India, presently on a tour of the United States, visits Canada this week for three days of lectures at Waterloo Lutheran University, beginning on Wednesday.

Dr. Isaac is head of the department of history at Andhra Christian College in India and also is a recognized scholar in archeology. His tour of North America is sponsored by the Lutheran Church in America's board of college education and church vocations.

Next to his work with youth in India, Dr. Isaac's major love is "digging". He has assisted with archeological discoveries, especially at Harappa where civilization dating to between 2,500 and 1,500 B.C. have been found.
